

What is Acupressure?

Acupressure is a healing technique where an acupressure practitioner applies pressure to specific points on the body surface to stimulate the body's natural healing energy and clear energy blockages in common body pathways. This method is often used to alleviate health issues including neck pain by reducing pain severity. The technique involves placing the body in a comfortable position to effectively target areas experiencing feelings of pain, promoting overall wellness and relief.

Healing With Acupressure

Dr. A.K. Saxena & Dr. Preeti Pai

Healing With Acupressure:

Acupressure for Emotional Healing Michael Reed Gach, PhD, Beth Ann Henning, Dipl., A.B.T., 2008-11-19 Increased stress and traumatic events in our lives have resulted in many millions of people who suffer from insomnia nightmares anxiety attacks depression and tension headaches ACUPRESSURE FOR EMOTIONAL HEALING offers relief at your fingertips quickly and safely for a wide range of emotional problems It explains how emotional distress becomes lodged in the body as muscular tension and blocked energy and shows how acupressure can relieve not just the resulting physical symptoms but also their emotional source often without the need for extensive talk therapy or medication Acupressure stimulates the same points used in acupuncture but instead of needles firm finger pressure is used on the surface of the skin The pressure releases neurochemicals called endorphins that relieve pain As in acupuncture specific pressure points are connected with internal organs and energy pathways in the body called meridians that regulate the flow of electrical energy to all systems Unlike acupuncture acupressure can be used safely by anyone with only the hands as equipment ACUPRESSURE FOR EMOTIONAL HEALING offers a comprehensive A Z guide to emotional ailments from abandonment to worry and obsessive thinking with fully illustrated instruction on dozens of precise acupressure point locations and how to activate them combined with yogic breathing stretching and movement routines Case histories from the authors practice further illuminate each condition and the path to emotional balance and healing Most routines can be used independently for self care and on the spot relief There are also sections on how to use the techniques to help others with appropriate safeguards

Lambrou, 2008-12-18 The revolutionary highly effective technique that allows you to free yourself from emotional hang ups
forever Does your fear of flying make travel with friends and family impossible Are you having trouble coping with the loss of
a loved one or forgiving yourself for a mistake you made long ago For the millions of people who suffer from phobias
anxieties or distressing emotions such as anger guilt and grief the breakthrough science of Thought Field Therapy an easy to
use practice often referred to as acupressure for the emotions can make a remarkable difference In this groundbreaking

book psychologists Peter Lambrou and George Pratt make their highly successful techniques available to everyone through simple exercises that anyone can use to treat everyday emotional roadblocks with immediate and permanent results A blend of Western psychotherapy and Chinese medicine Thought Field Therapy or TFT uses the body s meridian energy systems to treat emotional issues that can take years to unravel through traditional talk based therapy A combination of breathing and relaxation exercises affirmations and tapping on specific pressure points on the body TFT can instantly eliminate problems such as a fear of flying or public speaking addictive urges or painful emotions such as embarrassment or regret Used on thousands of people with a 95 percent success rate the step by step methods in Instant Emotional Healing now allow you to master this amazingly simple astonishingly effective practice for yourself and open the door to a lifetime of emotional control and well being

The Pocket Encyclopedia of Healing Touch Therapies Skye Alexander, Anne Schneider, 2010-11-01
The Pocket Encyclopedia of Healing Touch Therapies is a convenient reference that will guide you in the art of healing yourself and others through 136 of the best healing touch techniques from reiki reflexology and acupressure Easy to understand and immediately applicable to everyday health concerns from migraines and upset stomach to anxiety and muscle aches this guide gives readers an inexpensive D I Y approach to healing themselves

Natural Pet Healing Von Braschler, 2003
Integrative Body-Mind-Spirit Social Work Mo Yee Lee, 2009-03-25 In recent years interest in non Western curative techniques among Americans has grown by leaps and bounds Integrative Body Mind Spirit Social Work is the first book to strongly connect Western therapeutic techniques with Eastern philosophy and practices while also providing a comprehensive and pragmatic agenda for social work and mental health professionals This breakthrough text written by a cast of highly regarded researchers from both Asia and America presents a holistic therapeutic approach that ties Eastern philosophy and practical techniques to Western forms of therapy in order to help bring about positive transformative changes in individuals and families Integrative therapy focuses on the mind body spirit relationship recognizes spirituality as a fundamental domain of human existence acknowledges and utilizes the mind s power as well as the body s and reaches beyond self actualization or symptom reduction to broaden a perception of self that connects individuals to a larger sense of themselves and to their communities Here the authors provide a pragmatic step by step description of assessment and treatment techniques that employ an integrative holistic perspective They begin by establishing the conceptual framework of integrative body mind spirit social work then expertly describe step by step assessment and treatment techniques that utilize integrative and holistic perspectives Several case studies demonstrate the approach in action such as one with breast cancer patients who participated in body mind spirit and social support groups and another in which trauma survivors used meditation to get onto a path of healing These examples provide solid empirical evidence that integrative body mind spirit social work is indeed a practical therapeutic approach in bringing about tangible changes in clients The authors also discuss ethical issues and give tips for learning integrative body mind spirit social work Professionals in social work psychology

counseling and nursing as well as graduate students in courses on integral alternative or complementary clinical practice will find this a much needed resource that complements the growing interest in alternatives to traditional Western psychotherapy
