Political Suicide Erin McHugh,2016-04-15 *Political Suicide* is a history of the best and most interesting missteps peccadilloes bad calls back room hijinks sordid pasts rotten breaks and just plain dumb mistakes in the annals of American politics They have tweeted their private parts to women they re trying to impress They have gotten caught on tape doing and

saying things they really shouldn't have. They have denied knowing about the underhanded doings of underlings only to have a paper trail lead straight back to them. Nowadays it seems like half of what we hear about politicians isn't about laws or governing but is instead coverage focused on shenanigans, questionable morals, and scandals too numerous to count. And while we shake our heads in disbelief, we still can't resist poring over the details of these notorious incidents. In *Political Suicide*, the foibles of our politicians are brought from the tabloid pages to this entertaining and cautionary tale of American history.

A Bold Fresh Piece of Humanity Bill O'Reilly, 2010-05-04 One day in 1957 in the third grade classroom of St. Brigid's parochial school, an exasperated Sister Mary Lurana bent over a restless young William O'Reilly and said, "William, you are a bold fresh piece of humanity." Little did she know that she was early in his career as a troublemaker defining the essence of Bill O'Reilly and providing him with the title of his brash and entertaining issues-based memoir. In his most intimate book yet, O'Reilly goes back in time to examine the people, places, and experiences that launched him on his journey from working-class kid to immensely influential television personality and bestselling author. Readers will learn how his traditional outlook was formed in the crucible of his family, his neighborhood, his church, and his schools, and how his views on America's proper role in the world emerged from covering four wars on five continents over three-plus decades as a news correspondent. What will delight his numerous fans and surprise many others is the humor and self-deprecation with which he handles one of his core subjects: himself, and just how O'Reilly became O'Reilly.

I Yell Because I Care John Burton, Andy Furillo, 2025-09-04 Profane, irascible, and beloved California political icon John Burton has stood for nearly 60 years as the state Democratic Party's beating heart and one of its leading voices for social justice. As an assemblyman, congressman, state senator, party chairman, and street-fighting activist from San Francisco, Burton as a blue-collar liberal has been at the forefront of the mainstream Democratic movement in its battles on behalf of the poor, against a disastrous foreign war, and in favor of the environment and working people from even before he ran and won his first elected office in 1964. In this book, Burton shows how he fought and won on behalf of working people, the environment, people of color, the peace movement, and most of all, for the poor and underprivileged. Hard-nosed and acerbic, Burton still shared a common humanity with his political adversaries, most notably Ronald Reagan. Despite his battles with conservatives, he occasionally earned their votes to pass his own bills that created the first special education program for autistic children in California and reformed the state's confiscatory police asset seizure practices. His life's record provides a template to bridge the polarization of the current political era that has torn the country apart.

Inside the President's Team Bob Barrett, 2025-01-07 An eye-opening and exceptional view of the Ford presidency by one of his closest and most trusted advisors. Except for his wife Betty, no one was closer to Gerald Ford during his presidency than Bob Barrett. Bob carried the nuclear football, the American nuclear codes, and could not let Ford out of his sight. This nerve-wracking job led to a deep friendship with the First Family and gave Bob an unparalleled view of Ford's historic and unusual presidency. In his memoir *Inside the President's Team*, Bob takes readers into the White House and the

Ford home to show the administration and the couple as few others could see them Bob gives new insights into why Ford decided to pardon Nixon and how he responded to criticism of it how Ford chose his own vice president and another for his run in 1976 and what he did with potentially difficult members of the former administration such as Al Haig and the now infamous Michael Flynn Bob provides a front row view of Ford's meeting with Leonid Brezhnev in Russia during their famous summit on arms control and he shows how abandoning our ally South Vietnam put a greater strain on Ford than deciding whether to pardon his predecessor Bob reveals what happened during the two assassination attempts and reveals the flawed inner workings of the 1976 campaign Meanwhile he became so close to the family that he took part in Betty Ford's intervention and recalls scenes that show Ford to be as Bob describes him the most decent honorable trustworthy person I ever met Ford's legacy as a reconciler and a healer of a deeply divided America during a time of strife comes alive in *Inside the President's Team* and it is a celebration of the impact of living a life of service [Yellow Dogs, Hushpuppies, and Bluetick Hounds](#), 2014-07-02 Who lived at the P O in China Grove Mississippi What does NASCAR stand for Where is the Redneck Riviera When is Martin Luther King Jr's birthday What are Yellow Mama and Old Sparky Entertaining fun and educational this quiz book covers every aspect of southern culture from alligators to melungeons to zydeco More than 800 questions most drawn from the Encyclopedia of Southern Culture cover literature music entertainment history politics the law sports and recreation science medicine business industry and religion Test your southern I Q Take a copy to parties and on road trips Use it to settle supper table squabbles It's a guaranteed good time Published in collaboration with the Center for the Study of Southern Culture at the University of Mississippi Answers to questions Sister who tells her story in Eudora Welty's *Why I Live at the P O* National Association for Stock Car Auto Racing Inc The Florida Panhandle January 15 1929 Electric chairs in Alabama and Florida respectively Originally published in 1996 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
