Higson author of *The Dead I m something of an insomniac* I read *The Watcher* and stopped sleeping altogether Paul Newman
If you are easily upset stop right here *The New York Times* , **Low Rider** ,2004 *Forest Prayer* Gerald
Inmon,2022-04-14 *Forest Prayer* is a conversationally steered and character driven life story with the protagonist growing up
and older while looking for the Lord Having a few Christian mentors and a few mentors who appear to be agnostic Jerry
struggles his whole life through trying to distinguish between what he often feels is an infestation of Christianity along with
what he knows is his infatuation with forestry and his obsession with wildlife management Thinly disguised as Jerry I had the
following supporting characters Papa my grandfather and Baptist preacher who was close to God in more ways than one
Uncle Sawyer my saw boss who insisted that the cure to all our problems was out there in the woods waiting for us to find Ol
Professor Starlet who was the forestry teacher who turns out to know more than we first thought when meeting him the good
Dr Frank who is perhaps the world s leading international forester and Patsy who is my main confidant still today after over
fifty years of awesome marriage Instead of reading or writing fiction or nonfiction the fun of this genre that I like to call
faction is that we get to enjoy living life over again but doing it better If you share one of these true life experiences with me
for real and recognize my story is more like the way things should have been it is Rather than part of a bucket list this is part
of my to do list of testimonies for Our Lord and Savior Jesus Christ So I ask that those of you who knew me before my life
became undergirded with Christianity to please remember that both Colossians and the Lord s Prayer tell us that we are to
forgive one another as Christ forgave us Locations of verses within Bible books are specifically omitted in hopes that it might
encourage the reader to spend more personal time in the Good Book for him or herself As directed by the Holy Bible not to
add or take away anything from the Word I have made that effort to the best of my ability If I ve accidentally missed added or
misrepresented anything then I ask that you and God please forgive me God help me if this causes harm to anyone s faith
Author s liberty includes the following four grammatical variances for the following reasons 1 incorrect grammar and
incorrect spelling are sometimes used to better reflect characters times and places After all what s not about Christ is about
people 2 italics used all over the place are to emphasize words phrases and much more like out of respect for the various
names of God verses in the Bible books of the Bible quotes whether verbatim or paraphrased and even sometimes in lieu of
quotation marks or for periodic words that rhyme 3 overuse of ellipsis is because Psalm does say to be still and it seems the
characters in the book often want you to slow down a fraction of a second longer than you might for a mere comma 4 types or
names of trees are capitalized and italicized as it does take them to make a forest Other books by Gerald Inmon are *Yocona*
Puff Adder ISBN 0 9774864 3 5 and *Camp Re Form* ISBN 0 9774864 7 2 First edition books of these two are still available in
