Although published anonymously, its authorship was revealed by the poet George Huddesford in what Burney called a vile poem. In this 3-volume epistolary novel, the title character, Evelina, is the unacknowledged but legitimate daughter of a dissipated English aristocrat, thus raised in rural seclusion until her 17th year. Through a series of humorous events that take place in London and the resort town of Hotwells near Bristol, Evelina learns to navigate the complex layers of 18th-century society and earn the love of a distinguished nobleman. This sentimental novel, which has notions of sensibility and early romanticism, satirizes the society in which it is set and is a significant precursor to the work of Jane Austen and Maria Edgeworth, whose novels explore many of the same issues. **The Complete Edition of Fanny Burney's Evelina** Fanny Burney, 2023-02-05 Fanny Burney's renowned epistolary novel is a satirical tale detailing a young woman's journey through eighteenth-century London's fashionable society. *Evelina* is an early example of romanticism, sensibility, and the novel of manners. Evelina Anville is a beautiful young woman who falls into the wrong circles after leaving her secluded home for the first time. The story takes place in both London and Hot Wells, Bristol, in a series of letters. Evelina encounters a host of memorable characters and is whisked away by romance, yet until her aristocratic father acknowledges her as his legitimate daughter, she will never be able to marry the man she truly loves. This sharp satire of high society London captures the

complexities of Georgian society offering a vivid and entertaining portrait of eighteenth century England life Read Co Classics is proudly republishing this volume written by Queen Charlotte s Keeper of the Robes Fanny Burney This new edition features an author biography by Henry Gardiner Adams ***Evelina; Or, the History of a Young Lady's Entrance Into the World (Dodo Press)*** Fanny Burney,Frances Burney,2008-05 Frances Burney 1752 1840 also known as Fanny Burney and after marriage as Madame D Arblay was a novelist diarist and playwright She was self educated and began writing what she called her scribblings at the age of ten She destroyed the manuscript of her first novel but her journals survived In 1793 she married a French exile General Alexandre D Arblay Their only son Alexander was born in 1794 After a lengthy writing career and travels that took her to France for over ten years she settled in Bath England Throughout her career as a writer her wit and talent for satirical caricatures were widely acknowledged In total she wrote four novels eight plays one biography and twenty volumes of journals and letters Her works include The History of Caroline Evelyn 1767 *Evelina or The History of a Young Lady s Entrance into the World* 1778 *Cecilia or Memoirs of an Heiress* 1782 *Camilla or A Picture of Youth* 1796 and *The Wanderer or Female Difficulties* 1814 *Evelina* Fanny Burney,Frances Burney,2015-09-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Evelina* Frances Burney,2000-09-14 The reputation of Frances Burney 1752 1840 was largely established with her first novel *Evelina* Published anonymously in 1778 it is an epistolary account of a sheltered young woman s entrance into society and her experience of family Its comedy ranges from the violent practical joking reminiscent of Smollett s fiction to witty repartee that influenced Austen The Broadview edition is based on the second edition of the novel 1779 which incorporates Burney s revisions and corrections Its appendices include contemporary reviews of *Evelina* as well as eighteenth century works on the family and on comedy *Evelina* Fanny Burney,Frances Burney,2016-05-07 Notice This Book is published by Historical Books Limited [www publicdomain org uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to [publications@publicdomain org uk](mailto:publications@publicdomain.org.uk) This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA [publicdomain org uk](http://publicdomain.org.uk)
