

Fantasies of Femininity: Reframing the Boundaries of Sex

Ussher, Professor Jane M

(Note: This is not the actual book cover.)

Fantasies Of Femininity Reframing The

Jane M. Ussher, Jane Ussher

Fantasies Of Femininity Reframing The:

Fantasies of Femininity Jane M. Ussher, 1997 In *Fantasies of Femininity* Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires In her quest for the sources of feminine representation Ussher interviewed dozens of women as well as some men and combed popular media from *Seventeen* to *Cosmopolitan* and *Dallas* to *Donahue* to identify what shapes women's symbolic images of sex and femininity Ussher argues that women have effectively resisted and subverted these archetypal fantasies of femininity and in the process of so doing reframed the very boundaries of sex In this way she exposes as myth much of what we think we know about woman and about sex

Fantasies of Femininity Jane M. Ussher, 1997 An account of how women have managed to resist the archetypal fantasies of femininity and what it supposedly is to be a woman and how women have consequently redefined the boundaries of their sex

Fearless Femininity by Women in American Theatre, 1910s to 2010s Lynne Greeley, 2015-08-06 In this unprecedented fascinating book which covers women in theatre from the 1910s to the 2010s author Lynne Greeley notes that for the purposes of this study feminism is defined as the political impulse toward economic and social empowerment for females or the female identified a position perceived by many feminists as oppositional to ideas of femininity that they see as personally and politically constraining and that femininity comprises social behaviors and practices that mean as many different things as there are women some of which are empowering and others of which are not This book illuminates how throughout the twentieth century and into the twenty first playwrights and artists in American theatre both embodied and disrupted the feminine of their times Through approaches as wide ranging as performing their own recipes energizing silences raging against war and rape and inviting the public to inscribe their naked bodies theatre artists have used performance as a site to insert themselves between the physicality of their female presence and the liminality of their disrupting the role of the feminine Capturing that place of liminality a neither here nor there place that is often unsafe where the established order is overturned by acts as banal as raising a plant women have written and performed and disrupted their way through one hundred years of theatre history even within the constraints of a variably rigid and usually unsympathetic social order Creating a feminist femininity they have reinscribed their place in the culture and provided models for their audiences to do the same This comprehensive tome part of the *Cambria Contemporary Global Performing Arts* headed by John Clum Duke University is an essential addition for theater studies and women's studies

Viewing Pleasure and Being a Showgirl Alison Carr, 2018-04-19 Drawing on interviews with a breadth of different showgirls from shows in Paris Las Vegas Berlin and Los Angeles as well as her own artworks and those by other contemporary and historical artists this book examines the experiences of showgirls and those who watch them to challenge the narrowness of representations and discussions around what has been termed sexualisation and the gaze An account of

the experience of being looked at the book raises questions of how the showgirl is represented the nature of the pleasure that she elicits and the suspicion that surrounds it and what this means for feminism and the act of looking An embodied articulation of a new politics of looking Viewing Pleasure and Being a Showgirl engages with the idea reinforced by feminist critique that images of women are linked to selling and that women's bodies have been commodified in capitalist culture raising the question of whether this enables particular bodies those of glamorous women on display to become scapegoats for our deeper anxieties about consumerism

Negotiating Femininities in the Neoliberal Night-Time Economy Emily Nicholls, 2018-07-24 This book explores the ways in which young women negotiate gendered and classed identities in nightlife venues With a particular focus on the under researched phenomenon of the girls night out this text explores tensions around what it means to be girly in bars pubs and clubs examining throughout the ways in which being a girly girl is simultaneously desired and derided in a postfeminist context Drawing on research conducted in Newcastle upon Tyne UK this original and comprehensive book explores the value and meaning of the girls night out for young women and its instrumental role in the negotiation of friendships and femininities Nicholls covers a range of themes including alcohol consumption dress and risk management providing engaging and timely insights into women's leisure as a site for the negotiation of gendered identities Negotiating Femininities in the Neoliberal Night Time Economy will be of interest to students and scholars across the social sciences with an interest in gender class and the Night Time Economy Body Work

Body Work Sylvia K. Blood, 2004-03-01 Are scientific facts about body image enough to define conceptions of normality Reassessing Experimental Psychology from a critical perspective Sylvia Blood demonstrates how its research into Body Image can be misused and prone to misuse Classifying women who experience distress and anxiety with food eating and body size as suffering body image disturbance or body image dissatisfaction it can reproduce dominant assumptions about language meaning and subjectivity Experimental psychology's discourse about body image has recently become more widely influential becoming popularised through domains such as women's magazines in which psychological experts provide facts about women's body image problems and offer advice and psychological treatments With acute cross disciplinary awareness Body Work The Social Construction of Women's Body Image exposes the assumptions at work in the methods and status of experimental approaches Penetrating beyond the usual dichotomy between experimental and popular psychology this book illuminates some of the ways in which women's magazines have embraced experimental psychology's treatment of the issue Drawing on her experience in Clinical Psychology Sylvia Blood highlights the damaging effects of uncritically experimental views of body image She goes on to elaborate not only an alternative model of discursive construction but also the implications of such a theory for clinical practice Merging theory and clinical experience Sylvia Blood exposes the fallacies about women's bodies that underpin experimental psychology's body image research She demonstrates the dangerous consequences of these fallacies being accepted as truths in popular texts and in the talk of everyday women **Psychology**

at the Turn of the Millennium, Volume 2 Lars Backman, Claes von Hofsten, 2002-04-04 These two volumes represent the cutting edge of contemporary theory and research in psychological science Based on the keynote and state of the art lectures from the 27th International Congress of Psychology the volumes feature a collection of chapters written by international leaders in psychological scholarship The chapters reflect the diversity of current research topics in psychology where old boundaries have become obsolete and subdivisions from the past merge to form new objects of study Volume 1 addresses cognitive biological and health perspectives It includes sections on the neural mechanisms underlying psychological processes the core areas in experimental psychology perception attention learning and memory the multiple aspects of psychological health the interaction between cognitive and emotional processes and higher cognitive processes with special focus on decision making and language Volume 2 deals with social developmental and clinical perspectives The sections highlight human development across the life span basic and applied issues in personality emotion and clinical psychology social psychology ranging from experimental work through social constructivism and gender **Culture in Psychology** Corinne Squire, 2003-09-02 Presents work from within the developing framework of cultural psychology Three sections explore the meanings of social categories the interaction between written and visual representations and the conscious unconscious meanings of cultural forms **Girlhood** Jennifer Helgren, Colleen Vasconcellos, 2010-03-30 Girlhood interdisciplinary and global in source scope and methodology examines the centrality of girlhood in shaping women's lives Scholars study how age and gender along with a multitude of other identities work together to influence the historical experience Spanning a broad time frame from 1750 to the present essays illuminate the various continuities and differences in girls' lives across culture and region girls on all continents except Antarctica are represented Case studies and essays are arranged thematically to encourage comparisons between girls' experiences in diverse locales and to assess how girls were affected by historical developments such as colonialism political repression war modernization shifts in labor markets migrations and the rise of consumer culture **Crafting Allure: Beauty, Culture and Identity** Jacque Lynn Foltyn, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Crafting Allure Beauty Culture and Identity explores the complexity of physical beauty the kind we can see in human beings their representations and in nature From the self presentations of eighteenth century English ladies to that of Civil Rights era African American protestors Afro French women and contemporary Asian Indians to the meanings of mannequins retail beauty work eating disorders and hair to a reconsideration of naturalised beauty in architecture the embodiment of truth as a beautiful woman and what the appearance of Amerindians symbolised for Europeans of the Age of Exploration culture and identity thread their way through the book Written by scholars from a range of disciplines that reflect the book's diversity as well as the complexity of visual beauty itself Crafting Allure consists of eleven chapters divided into four parts Fashioning Beauty Cultures Beauty Workers Racialising Beauty and Beauty in Architecture and Allegory **Sex Media** Feona Attwood, 2017-12-08 Media are central to

our experiences and understandings of sex whether in the form of familiar mainstream genres pornographies and other sex genres or the new zones interactions and technosexualities made possible by the internet and mobile devices In this engaging new book Feona Attwood argues that to understand the significance of sex media we need to examine them in terms of their distinctive characteristics relationships to art and culture and changing place in society Observing the role that media play in relation to sex gender and sexuality this book considers the regulation of sex and sexual representation issues around the sexualization of culture and demonstrates how a critical focus on sex media can inform debates on sex education and sexual health as well as illuminate the relation of sex to labour leisure intimacy and bodies Sex Media is an essential resource for students and scholars of media culture gender and sexuality

(Re)Possessing Beauty: Politics, Poetics, Change Sallie McNamara, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Ideas of beauty permeate our lives in ways of which we are often unaware yet they are indicators of identity transgression sartorial codes and otherness While contemporary society sees the dominance of Western hegemonic ideals of beauty when comparing these to ideals in different cultures at different historical periods attention is drawn to the instability of beauty The work in this volume considers the ways individuals question respond to articulate reflect challenge modify or accept beauty within their lives to show it can be powerful destructive and transformative They show that beauty is not always what it appears and can challenge common sense preconceptions as to what is beautiful The range of topics provide an important contribution to ongoing discussions and are testament to both the diversity and complexity of debate the concept engenders across different disciplines

The Madness of Women Jane M. Ussher, Jane Ussher, 2011-03-28 Nominated for the 2012 Distinguished Publication Award of the Association for Women in Psychology Why are women more likely to be positioned or diagnosed as mad than men If madness is a social construction a gendered label as many feminist critics would argue how can we understand and explain women's prolonged misery and distress In turn can we prevent or treat women's distress in a non pathologising women centred way The Madness of Women addresses these questions through a rigorous exploration of the myths and realities of women's madness Drawing on academic and clinical experience including case studies and in depth interviews as well as on the now extensive critical literature in the field of mental health Jane Ussher presents a critical multifactorial analysis of women's madness that both addresses the notion that madness is a myth and yet acknowledges the reality and multiple causes of women's distress Topics include The genealogy of women's madness incarceration of difficult or deviant women Regulation through treatment Deconstructing depression PMS and borderline personality disorder Madness as a reasonable response to objectification and sexual violence Women's narratives of resistance This book will be of great interest to students and scholars of psychology gender studies sociology women's studies cultural studies counselling and nursing

Ladies who Lunge Tara Brabazon, 2002 Ladies who Lunge Essays on Difficult Women dances through history with the unconventional woman Witty and refreshing the tone texture and feeling of the words on the page

are as unconventional as the plucky women who punctuate the prose It is a tough determined moving frank and funny review of difficult women how they got there how we can understand their actions and how we can learn from them **Fan Girls and the Media** Adrienne Trier-Bieniek,2015-02-12 In the broad spectrum of popular culture one can be a fan of just about anything comic books television shows fantasy novels movie franchises musical artists and so on Because fans are fluid and ever changing however defining them poses a challenge As a result too few scholars have yet to focus on the impact of gender in media consumption leading to a limited portrait of what male and female fans look for In *Fan Girls and the Media* Creating Characters Consuming Culture Adrienne Trier Bieniek has assembled a collection of essays that demonstrate the gendered aspect of fandom and explore the ways different forms of media challenge stereotypical ideals of how culture is consumed Contributors examine a wide range of fan issues from gendered stereotypes in the *Star Trek* and *Twilight* franchises to gender roles in Tyler Perry films and *The Real Housewives of Atlanta* Other essays look at the female comedy fan community the appeal of avenging woman characters written by men and the use of social media by women in the video game culture This collection describes how gender is present in fandom demonstrating the need to combat the marginalization of female identities in various cultural outlets *Fan Girls and the Media* will be of interest to anyone studying fandom but also students and scholars of sociology media and gender studies *Good Girls & Wicked Witches* Amy M. Davis,2007-02-20 An in depth view of the way popular female stereotypes were reflected in and were shaped by the portrayal of women in Disney s animated features In *Good Girls and Wicked Witches* Amy M Davis re examines the notion that Disney heroines are rewarded for passivity Davis proceeds from the assumption that in their representations of femininity Disney films both reflected and helped shape the attitudes of the wider society both at the time of their first release and subsequently Analyzing the construction of mainly human female characters in the animated films of the Walt Disney Studio between 1937 and 2001 she attempts to establish the extent to which these characterizations were shaped by wider popular stereotypes Davis argues that it is within the most constructed of all moving images of the female form the heroine of the animated film that the most telling aspects of Woman as the subject of Hollywood iconography and cultural ideas of American womanhood are to be found A fascinating compilation of essays in which Davis examined the way Disney has treated female characters throughout its history *PopMatters* *Sex and Money* Eileen R. Meehan, Ellen Riordan,2002 *Gender and the Media* Rosalind Gill,2015-10-02 Written in a clear and accessible style with lots of examples from Anglo American media *Gender and the Media* offers a critical introduction to the study of gender in the media and an up to date assessment of the key issues and debates Eschewing a straightforwardly positive or negative assessment the book explores the contradictory character of contemporary gender representations where confident expressions of girl power sit alongside reports of epidemic levels of anorexia among young women moral panics about the impact on men of idealized representations of the six pack but near silence about the pervasive re sexualization of women s bodies along with a growing use of irony and

playfulness that render critique extremely difficult The book looks in depth at five areas of media talk shows magazines news advertising and contemporary screen and paperback romances to examine how representations of women and men are changing in the twenty first century partly in response to feminist queer and anti racist critique Gender and the Media is also concerned with the theoretical tools available for analysing representations A range of approaches from semiotics to postcolonial theory are discussed and Gill asks how useful notions such as objectification backlash and positive images are for making sense of gender in today s Western media Finally Gender and the Media also raises questions about cultural politics namely what forms of critique and intervention are effective at a moment when ironic quotation marks seem to protect much media content from criticism and when much media content from Sex and the City to revenge adverts can be labelled postfeminist This is a book that will be of particular interest to students and scholars in gender and media studies as well as those in sociology and cultural studies more generally

Managing the Monstrous Feminine Jane M.

Ussher,2006 Managing the Monstrous Feminine takes a unique approach to the study of the material and discursive practices associated with the construction and regulation of the female body Jane Ussher examines the ways in which medicine science the law and popular culture combine to produce fictions about femininity positioning the reproductive body as the source of women s power danger and weakness Including sections on regulation the subjectification of women and women s negotiation and resistance this book describes the construction of the monstrous feminine in mythology art literature and film revealing its implications for the regulation and experience of the fecund female body Critical reviews are combined with case studies and extensive interview material to illuminate discussions of subjects including the regulation of women through the body regimes of knowledge associated with reproduction intersubjectivity and the body women s narratives of resistance These insights into the relation between the construction of the female body and women s subjectivity will be of interest to those studying health psychology social psychology medical sociology gender studies and cultural studies The book will also appeal to all those looking for a high level introduction to contemporary feminist thought on the female body

The Praeger Handbook on Women's Cancers Michele A. Paludi,2014-05-28

Written by experts in psycho oncology this book synthesizes the findings of the latest research on women s cancers to empower women to make informed choices about treatment options Each year hundreds of thousands of women are diagnosed with cancer in the United States alone The total number affected is larger still comprising siblings parents partners and children of these women In this single volume work an international team of experts address the physical medical and psychological matters that are triggered by a diagnosis of having a form of women s cancer breast cervical endometrial gestational ovarian uterine vaginal and vulvar being some of the more common The handbook examines and explains each type of women s cancer covering the specifics of incidence diagnosis treatment options and more providing an up to date guide for women and their families to assist in making informed choices about their treatment options The book includes personal accounts from women

who survived cancers and beat their emotional challenges addresses myths versus realities regarding women s cancers and covers relevant related topics such as race sexual orientation religion and cancer coping Special attention is given to the impact of women s cancers on relationships intimacy and body image as well as psychological factors such as anxiety depression and fear

The Enigmatic Realm of **Fantasies Of Femininity Reframing The**: Unleashing the Language is Inner Magic

Fantasies Of Femininity Reframing The Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Fantasies Of Femininity Reframing The PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fantasies Of Femininity Reframing The PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Fantasies Of Femininity Reframing The free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Fantasies Of Femininity Reframing The Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fantasies Of Femininity Reframing The is one of the best book in our library for free trial. We provide copy of Fantasies Of Femininity Reframing The in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fantasies Of Femininity Reframing The. Where to download Fantasies Of Femininity Reframing The online for free? Are you looking for Fantasies Of Femininity Reframing The PDF? This is definitely going to save you time and cash in something you should think about.
