They'll just have to fight that much harder to keep the heat between them from flaming out of control. But things are about to become far more challenging and deadly than they could have imagined. Unhinged. Once the killer catches a glimpse of Nari she becomes his new obsession. She is now the focus point for both Force and Lassiter in a dangerous dance for survival. Action-packed. Zanetti still makes time to dig into her characters' psyches in the midst of the action, adding nuance to the exciting plot. Publishers Weekly
