Goodbye to MUM and DAD

Taking Stock of the Past Year

ANDREW KIRBY-PUGH

Farewell Mum And Dad

Bonna Jones

Farewell Mum And Dad:

Goodbye to Mum and Dad Andrew Kirby-Pugh, 2020-10-14 After eight years together Mum and Dad finally married in Clapton on 4 April 1956 Apparently it snowed After the ceremony at St Andrews Church photos were taken at Auntie Gertie and Uncle Oliver's house in Loughton Gertie's daughter Mum's niece Janet was chief bridesmaid and both full families were in attendance with one exception Not long before the wedding Grandma Edie had died In the wedding photographs whilst Dad looks full of pride and happiness Mum appears sad but radiant She was given away by her brother John The reception was at the rambling King's Head pub in Chigwell Mum and Dad were a good match Dad was highly sociable and could talk to anyone Mum was naturally shy unusual in the Kirby family but she gained in confidence as she got older with Dad by her side Mum covered up her shyness by talking a lot and she said a lot of funny things Dad was placid with never a bad word to say about anyone He hated confrontation Mum was emotional at times and I'm the same Mum used to say the reason we argued was because we were so alike

Goodbye Mom & Dad See You in the Afternoon Dr. Bindu Selot, 2014-12-13 With the help of her successful case studies and well designed strategies the author shares her tried and tested parenting solutions for young parents based on her experience of 22 years with parents from all over the country This book is meant for all the parents whose children are already going to preschool or are about to start pre schooling It is also meant for all the other significant adults in a child's life the preschool educators teachers and counsellors The contents of this book will give you an insight into what all needs to be done so that you can maximize on the preschool years of your children and help them make the extensive learning pathways not by accident but by design because it is you who creates the environment of the children

Time to Imagine Bonna Jones, 2021-10-09 At each life stage you have the power to imagine what comes next Later there's time to reflect on how your imagination fared Was it powerful enough or had it fallen into a sorry plight When Bonna Jones joined a dream sharing group run by Melbourne psychologist Peter O Connor she was on the cusp of menopause In group conversations she took part in a process of sharing night time dreams which were imagined re imagined and befriended Dreams are an easy and accessible way to engage with the world of image and imagination If you record your dreams and share with others you begin a process that invites an imaginative response You grow your mental power to imagine Dream images beget other images and through that give life to more The dreams Bonna shared now revealed in her memoir show how she reimagined her life and where she was headed For Bonna dream group seeded new experiences Beginning in 2003 she joined small group odysseys to Greece On visits to sacred sites ancient landscapes and archaeological museums she listened to talks on Greek mythology and took part in dream sharing The odysseys had separation initiation and return as their theme They prompted her to picture her own wild place and its attractions and she saw how a dreamer has an inner wild she goes to at night In that place while her other mental powers sleep her imagination is awake later she returns This process initiates her into new ways of seeing her day life On the heels of a decade of dream sharing and odysseys to Greece

in 2012 Bonna went to art school Encouraged to revive childlike imaginings as part of a process of making art she discovered more ways to see Shared dreams travels to Greece and art school are the main threads in her story but mothering is also woven in Feminine figures appeared in Bonna s dreams and she learnt about the gods of Greek mythology who are feminine or masculine but sometimes ambiguous Over time with plenty to reflect on she grew to see her own mother in a new softer light The Mother seen as mythical mother gave her a fresh way to see mother daughter relationships and released her into a new time

Goodbye Teddy J D Stockholm, **Daddy Had to Say Goodbye** David J. Brown,2015-07-31 My name is Depression I have several nicknames Some call me lazy or quitter or loser The advice I am given is to buck up grow a pair get over it be a man Some even go further and describe me Sloth like spineless and a whiner The professionals have given me all the right answers and encouragements I fully know they will work for others but I am convinced those answers will not work for me I am without faith Without faith there can be no hope If I can t find the strength to believe you will know and call me by another name Suicide Follow along with Clinton Flanagan s lifelong journey to living free Walk his path side by side to sanity and joy You too will find peace as you learn to leave the wreckage of your past behind There may be days when hope is all you have left Know that hope is all you will need each day

An Ordinary Man David R. Bird,2024-03-01 While German bombs were falling on London people didn t worry too much when hearing Hitler s doodlebugs the dreaded V1 flying bomb But when the noise stopped then they were worried because they knew that the rocket was about to drop on them David hanging in a basket inside an air raid shelter was oblivious to all of this for he was just a baby Growing up in West London he spoke with a cockney accent even though he wasn t a true cockney He went to a good school and later to an art college but not being impressed with the lifestyle of an artist or of an interior designer he left and got an ordinary job His sporting interests included rowing with a club on the nearby River Thames and gaining instruction in the sport of judo but at the age of 18 he was looking for something more an adventure He joined up for a three year stint in a colonial police force in Southern Rhodesia and never looked back He lost his cockney accent learned a lot about police work and the native Rhodesians both black and white and his three year stint turned into over ten Then using his police experience he started two successful private security companies one in Rhodesia the other in South Africa and later emigrated to British Columbia in Canada where he started a third In 1984 he began working for the Canadian government firstly in a security capacity and later in their commercial sector before taking early retirement on December 31st 1999 and moving to the United States at the beginning of the new millennium Now in his fifth country of residence he resurrected his artistic talents and began selling his art at various shows in the south eastern United States He also joined a local rowing club and within a few months was their manager and coach He has enjoyed many years of travel to over forty countries has lived in five on three different continents and continues to live a healthy lifestyle which includes kayaking cycling and plenty of walking
