Farm Town Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1980-07-01 **Farm Town** J. W. McManigal, Grant Heilman, 1974 Preserving the Family Farm Mary Neth, 1995 Between 1900 and 1940 American family farming gave way to what came to be called agribusiness Government policies consumer goods aimed at rural markets and the increasing consolidation of agricultural industries all combined to bring about changes in farming strategies that had been in use since the frontier era Because the Midwestern farm economy played an important part in the relations of family and community new approaches to farm production meant new patterns in interpersonal relations as well In Preserving the Family Farm Mary Neth focuses on these relations of gender and community to shed new light on the events of this crucial period source 4e de couverture Linoleum, Better Babies, and the Modern Farm Woman, 1890-1930 Marilyn Irvin Holt, 2005-11-30 The Progressive Era falling between the conspicuous materialism of the Gay Nineties and the excesses of the Roaring Twenties promoted a vision of America united by an emphasis on science and progressive reform The zeal to modernize business government and social relations extended to farm families and the ways women defined their roles In this study of the expert advice offered by the domestic economy movement Marilyn Irvin Holt argues that women were not passive receptors of these views Seeing their place in agriculture as multifaceted and important they eagerly accepted improved education and many modern appliances but often rejected suggestions that conflicted with their own views of the rewards and values of farm life Drawing on a wide range of sources government surveys expert testimony and contemporary farm journals many presenting accounts in farm women's own words Holt carefully contrasts the goals of reformers with those of farm families Anyone seeking a better understanding of the role of women in agriculture will find this a rewarding book *Catalog of Copyright Entries. Copyright Office, 1976 **Down and Out on the Family Farm** Michael Johnston Grant, 2002-01-01 Focusing on the Great Plains states of Kansas Nebraska North Dakota and South Dakota between 1929 and 1945 **Down and Out on the Family Farm** examines small family farmers and the Rural Rehabilitation Program designed to help them Historian Michael Johnston Grant reveals the tension between economic forces that favored large scale agriculture and political pressure that championed family farms and the results of that clash The Great Depression and the drought of the 1930s lay bare the long term economic instability of the rural Plains The New Deal introduced the Rural Rehabilitation Program to assist lower to middle income farmers throughout the country This program combined low interest loans with managerial advice However these efforts were not enough to compete with the growing scale of agriculture or to counter the recurring drought of the era Regional conservatism environmental factors and fiscal constraints limited the federal aid offered to thousands of families Grant provides extensive primary source research from government documents as well as letters newspaper editorials and case studies that focus on individual lives and fortunes He

examines who these families were and what their farms looked like and he sheds light on the health problems and other personal concerns that interfered with the economic viability of many farms The result is a provocative study that gives a human face to the hardships and triumphs of modern agriculture Naperville, Illinois Jo Fredell Higgins,2001-08-06 The remarkable city of Naperville Illinois began as an agrarian community in the mid 1800s The rich prairie filled the grain elevators and cattle were shipped to the Chicago Yards Through the medium of historic photographs this book captures the evolution of the people of Naperville from the mid 1800s to the present day These pages bring to life the people events communities and industries that helped to shape and transform Naperville With more than 200 vintage images Naperville Illinois portrays a community that is both idyllic and contemporary This book takes readers back to Naperville s simpler days and provides a glimpse as to how this community grew into a new mecca Business and commerce thrive the schools offer quality education city services are national award winning cultural activities are diverse and plentiful and traditions blend easily with the future **Farmer's Digest** ,1973 *Mademoiselle* ,1974 **The American archivist** Society of American Archivists,1988 Includes sections Reviews of books and Abstracts of archive publications **The Pinnacle: A Memoir** H. W. Bingaman,2013-09 In Bingaman s stellar memoir his boyish obsession with flight blossoms into a grueling but rewarding career in the U S military leading him into the uncertainties of war Bingaman returns to his Iowa roots in this collection of anecdotes reminiscences and close calls among fighter pilots and their peers Recounting first his time in England as an American airman in a NATO squadron the narrative covers his time in Oregon the Midwest and Vietnam detailing the operations particularly the idiosyncrasies and frustrations of military programs and the officers that oversaw them Well paced and written in economical prose Bingaman s retelling of his past is at once richly personal and broadly historical sacrificing neither breadth nor depth to convey specific bits of information as well as the zeitgeist of the time A sensitive astute contribution to the history of the armed forces Kirkus Review **The Publishers' Trade List Annual** ,1980 News - National Live Stock Producers Association National Live Stock Producers Association,1974 National Union Catalog ,1973 Includes entries for maps and atlases *Union Agriculturist and Western Prairie Farmer* ,1983 *Library of Congress Catalog* Library of Congress,1974-04 A cumulative list of works represented by Library of Congress printed cards **The Combined Book Exhibit** American Library Association,1974 Threshing in the Midwest, 1820-1940 J. Sanford Rikoon,1988 In this study of the interaction between agricultural mechanization and rural culture J Sanford Rikoon focuses his analysis on grain threshing patterns in the Midwest from its early nineteenth century beginnings manual flailing and animal treading to the adoption of the combined harvester thresher between 1925 and 1945 The golden age of threshing began in the late nineteenth century when steam engines and threshing machines became familiar sights on the rural harvest landscape Rikoon considers the succession of threshing systems in terms of the relations between specific technologies occupational practices and the social organization of work Book jacket
