A Farm Boy in the Foreign Service Harry H. Kendall, 2003-08 **Tales of Travel, Love, and Survival in the Foreign Service** Hope Gander Goodwin, 2018-11-16 Living and working in twenty developing countries is no small challenge especially when six children are involved in every move and transition As **Tales of Travel Love and Survival in the Foreign Service** reveals Hope Gander Goodwin proved to be up to the task during forty five years of being an inspiration and active partner to her husband Joe whose foreign service career included the United States Agency for International Development university contracts and private sector positions in economic development Tours of duty were in Africa Asia Eastern Europe and Central and South America The Goodwin family endured many sacrifices and experienced dangerous situations On the other hand the benefits derived far outweigh the negative side of life abroad Helping those in need to help themselves is a gift and a blessing While attempting to sincerely make a difference in the world their accomplishments far exceed disappointments These parents are most proud of their legacy in producing compassionate productive broad minded world citizens Diplomacy endless love strength and survival prevail in this inspiring autobiography **The Conference on Training for Foreign Service** Anna Tolman Smith, Chester Deacon Jarvis, United States. Office of Education, 1917

Foreign Service Journal, 2010 Operation Moonglow Teasel Muir-Harmony, 2020-11-24 The moon landing was an important moment in history but many forget what was happening behind the scenes discover the groundbreaking political history of the Apollo program in this riveting exploration of America's space missions Since July 1969 Neil Armstrong's first step on the Moon has represented the pinnacle of American space exploration and a grand scientific achievement Yet as Smithsonian curator Teasel Muir-Harmony argues in *Operation Moonglow* its primary purpose wasn't advancing science Rather it was part of a political strategy to build a global coalition Starting with President John F Kennedy's 1961 decision to send astronauts to the Moon to promote American freedom over Soviet tyranny Project Apollo was central to American foreign relations From that perspective the critical event did not just take place on the lunar surface it took place in homes public squares palaces and schools around the world as Apollo captured global attention like never before After the Moon landing the Apollo astronauts and President Richard Nixon traveled the world to amplify the sense of participation and global unity shared by billions of people who followed the flight Drawing on a rich array of untapped archives and firsthand interviews with Apollo astronauts *Operation Moonglow* paints a riveting picture of the intersection of spaceflight geopolitics propaganda and diplomacy during the Cold War **The First Resort of Kings** Richard T. Arndt, 2011 A landmark study of the most neglected tool of U S foreign policy **American Diplomacy's Public Dimension** Bruce Gregory, 2024-01-12 This is the first book to frame U S public diplomacy in the broad sweep of American diplomatic practice from the early colonial period to the present It tells the story of how change agents in practitioner communities foreign service officers cultural diplomats broadcasters citizens soldiers covert operatives democratizers and presidential aides revolutionized traditional

government to government diplomacy and moved diplomacy with the public into the mainstream This deeply researched study bridges practice and multi disciplinary scholarship It challenges the common narrative that U S public diplomacy is a Cold War creation that was folded into the State Department in 1999 and briefly found new life after 9 11 It documents historical turning points analyzes evolving patterns of practice and examines societal drivers of an American way of diplomacy a preference for hard power over soft power episodic commitment to public diplomacy correlated with war and ambition an information dominant communication style and American exceptionalism It is an account of American diplomacy s public dimension the people who shaped it and the socialization and digitalization that today extends diplomacy well beyond the confines of embassies and foreign ministries

Inventing Public Diplomacy Wilson P. Dizard, 2004 Public diplomacy the uncertain art of winning public support abroad for one s government and its foreign policies constitutes a critical instrument of U S policy in the wake of the Bush administration s recent military interventions and its renunciation of widely accepted international accords Wilson Dizard Jr offers the first comprehensive account of public diplomacy s evolution within the U S foreign policy establishment ranging from World War II to the present Dizard focuses on the U S Information Agency and its precursor the Office of War Information Tracing the political ups and downs determining the agency s trajectory he highlights its instrumental role in creating the policy and programs underpinning today s public diplomacy as well as the people involved The USIA was shut down in 1999 but it left an important legacy of what works and what doesn t in presenting U S policies and values to the rest of the world *Inventing Public Diplomacy* is an unparalleled history of U S efforts at organized international propaganda

Reasserting America in the 1970s Hallvard Notaker, Giles Scott-Smith, David J. Snyder, 2016-06-17 *Reasserting America in the 1970s* brings together two areas of burgeoning scholarly interest On the one hand scholars are investigating the many ways in which the 1970s constituted a profound era of transition in the international order The American defeat in Vietnam the breakdown of the Bretton Woods exchange system and a string of domestic setbacks including Watergate Three Mile Island and reversals during the Carter years all contributed to a grand reappraisal of the power and prestige of the United States in the world In addition the rise of new global competitors such as Germany and Japan the pursuit of détente with the Soviet Union and the emergence of new private sources of global power contributed to uncertainty

American Statecraft J. Robert Moskin, 2013-11-19 An ambitious impressively researched history of American diplomacy from 1776 to today s U S Foreign Service *American Statecraft* is a fascinating and comprehensive look at the unsung men and women of the U S Foreign Service who have

played a crucial part in our history for over two centuries Fifteen years in the making veteran journalist and historian Moskin has traveled the globe conducting hundreds of interviews both in and out of the State Department to look behind the scenes at America's militiamen of diplomacy Using dialogue and negotiation American diplomats seek out new business markets rescue citizens in trouble abroad and act as America's first line of defense in policy negotiations keeping America out of war Moskin traces the development of this multifaceted institution from its rough origins in the days of Ben Franklin to the notorious Benghazi attack of 2012 An important contribution to the political canon American Statecraft recounts the history of the United States through the lens of foreign diplomacy **Hearings** United States. Congress. House. Committee on Appropriations, 1950 **With The Dragon's Children** David J. Garms, 2015 The true story of a Minnesota farm boy who was sent to rehabilitate Vietcong and instead learned the truth about a way of life and war **Hearings** United States. Congress. House, 1950 **Science, Technology and the Cultural Cold War in Asia** Yuka Moriguchi Tsuchiya, 2022-07-12 Tsuchiya presents a new insight into the political roles of science and technology during the Cold War era in Asia The Cold War was not only a battle of conflicting ideologies and economic systems but also a competition of cultures and lifestyles and a battle to win the hearts and minds of people in developing countries Tsuchiya argues that science and technology were an integral part of how culture was deployed strategically She discusses the 1950s and early 1960s the Eisenhower and Kennedy presidencies in the U S and the decolonization and nation building efforts in Japan South Vietnam Burma and Indonesia She also sheds light on the way U S technological aid programs such as Foreign Atoms for Peace and the overseas information program were received by Asian leaders technocrats and scientists Provides valuable insight for scholars of Cold War History in Asia and US Foreign Policy
