**Fashion Shifts** Dorian

Ashwood, AI, 2025-05-09 Fashion Shifts explores how clothing acts as a mirror and a catalyst for social and gender transformations throughout history. It examines the silent narratives woven into our attire, highlighting how fashion serves as a non-verbal communication system broadcasting social identities, aspirations, and even acts of rebellion. The book delves into how gender norms are both reinforced and challenged through dress, reflecting shifts in gender roles and expectations. One intriguing insight is how fashion intersects with larger social movements, acting as both a symbol of solidarity and a battleground for cultural change. The book adopts an interdisciplinary approach, drawing from fashion history, gender studies, and sociology. It investigates specific historical periods and clothing trends, like the French Revolution's impact on clothing as a tool for expressing revolutionary ideals or the evolution of women's wear during the late 19th and early 20th centuries and its connection to the rise of the New Woman. By closely examining primary sources, the book reveals the reciprocal relationship between what we wear and the societies we inhabit. The book progresses through various chapters, each focusing on a specific historical period or movement to provide a holistic view of the complex interplay between fashion, social change, and cultural identity. The ideas culminate in a concluding section that synthesizes the key findings, highlighting recurring patterns and offering insight into the ongoing evolution of fashion and its relationship to contemporary social and gender issues.

**Jewelers' Circular/keystone**, 1950 **Fashion Remains** Marco Pecorari, 2021-01-28 Fashion ephemera, from catalogues and invitations to press releases, have long been overlooked by the fashion industry and fashion academics. Fashion Remains redresses the balance, putting these objects centre stage and focusing on the wider creative practice of contemporary fashion designers, photographers, graphic designers, make-up artists, and many more. Fashion ephemera are considered not as disposable promotional devices but as windows into hidden networks of collaboration and value creation in the fashion system. Taking an interdisciplinary approach, Fashion Remains explores the unseen and privately circulated fashion ephemera produced by today's most prominent international fashion designers, such as Margiela, Yamamoto, and Raf Simons. Showcasing a unique archive of materials, it focuses on Antwerp's avant-garde fashion scene and reveals the potential of these ephemeral objects to evoke and call into question material and immaterial knowledge about the fashion industry's actors, practices, and ideologies.
