Matrix, 1928 **Writing Japonisme** Pamela A. Genova, 2016-04-30 In her book Pamela Genova suggests that as critics move in general from a literal to a more metaphoric understanding and presentation of Japonisme the mutability of the phenomenon is highlighted in a rich and illuminating manner By exploring the conditions of the creation of these works accenting the original aims of the artists the manipulations carried out by art dealers gallery owners and boutique managers as well as the gestures of explanation interpretation and judgment offered by the professional and amateur critics Japonisme takes on an even more versatile nature Further a complex web of correspondence germinates among these artists both French and Japanese and their many critics It is in this light that the truly rich character of Japonisme comes forth since the undesirability even the impossibility of the attempt to reduce it to a single genre style era or cultural cadre attests to its elusiveness and its Protean nature Japonisme does not correspond to a single dictionary definition no matter how subtle or self aware that definition might be By situating the dynamics of Japonisme as a response on the part of French culture to the culture of Japan we gain a keener sense of the multiplicity of modern French sensibility itself of how the awareness of a nation's language history and art forms can be creatively reflected in the images of a culture seemingly radically different from its own
