Fortunately, the authors of the phenomenally best-selling Worst Case Scenario Survival Handbook series now keep parents safe from cradle to teens. Hands-on, step-by-step instructions show you how to remove objects stuck in a child's nose or gum stuck in hair, and how to survive endless soccer games, slumber parties, and sleep deprivation. From baby proofing the house to dealing with a dead pet, from the perils of the play date to explaining about the birds and the bees, this essential guide tells parents what to really expect when your worst case scenario is all in the family.
