Far East: an Exhibition of Resources in the University of Chicago Library

University of Chicago. Committee on Far Eastern Studies, University of Chicago. Library, 1973 **Dimensions of Originality** Katharine P Burnett, 2013-03-13 This book investigates the issue of conceptual originality in art criticism of the seventeenth century a period in which China dynamically reinvented itself In art criticism the term which was called upon to indicate conceptual originality more than any other was qi literally different but secondarily odd like a number and by extension the novel and extraordinary This work finds that originality expressed through visual difference was a paradigmatic concern of both artists and critics Burnett speculates on why many have dismissed originality as a possible traditional Chinese value and the ramifications this has had on art historical understanding She further demonstrates that a study of individual key terms can reveal social and cultural values and provides a linear history of the increase in critical use of qi as originality from the fifth through the seventeenth centuries exploring what originality looks like in artworks by members of the gentry elite and commoner classes and explains how the value lost its luster at the end of the seventeenth century **Catalogue of the East Asian Collection, East Asian Library, East Asian Language and Area Center, University of Rochester** University of Rochester. East Asian Library, 1968 **Classical Chinese for Everyone** Bryan W.
