Dews, Carolyn Leste Law, 1995-04-19 Affecting stories of faculty and graduate students from working class on their struggles in academia *Short Stories 1895-1926* Walter de la Mare, 2012-07-18 The publication of *Short Stories 1895-1926* celebrates the fiftieth anniversary of Walter de la Mare's death. It is also the culmination of a major literary enterprise. For many people, Walter de la Mare (1873-1956) is as great a writer of fiction as of poetry. But the majority of his short stories, of which there are a hundred, have long been unavailable. *Short Stories* brings them all together in three volumes in the first comprehensive collection to be published. De la Mare's earliest published works were stories, and he continued writing and rewriting stories throughout the rest of his life. There was always a creative counterpoint between the themes and imagery of his prose and his poetry, such as the dream, childhood, the house, night, love, lost and regained solitude, and the traveller. A full understanding of either is impossible without knowledge of both.

TLS on *Short Stories 1895-1926* and *Short Stories 1927-1956* What strikes one most about them is how truly peculiar they are. It is good to see these dark and disquieting stories back in print. Martin Seymour Smith in Scotland on *Short Stories 1895-1926* He was so great that like all the greatest, his greatness functions as an assumption that goes hardly even recognized. The chief emotion is as it should be, one of immense gratitude. Lord David Cecil Beautiful, enigmatic, and disquieting stories. Angela Carter De la Mare is a master of *mise en scene*. Prose with the most vivid and unsettling intensity, which resembles some of what the surrealists were producing in France. Contents of *Short Stories 1895-1926* 1 The Riddle
