Wesley Ellis,1993-12-01 Jessie and Ki play hide and seek with a killer if they lose they die When one of Jessie s prospecting  
scouts is pumped full of lead Jessie and Ki set out to hunt for the killer braving deadly waters along the way Black Dragon  
River Dominic Ziegler,2016-11-08 As the book s subtitle indicates Mr Ziegler uses one of the world s great rivers as a vehicle  
to pursue this story and what a vehicle it is He writes beautifully and with the fervor of a naturalist The Wall Street Journal  
The writing is superb a true labour of love Black Dragon River is a triumph The Spectator Black Dragon River is a personal  
journey down one of Asia s great rivers that reveals the region s essential history and culture The world s ninth largest river  
the Amur serves as a large part of the border between Russia and China As a crossroads for the great empires of Asia this  
area offers journalist Dominic Ziegler a lens with which to examine the societies at Europe s only borderland with east Asia  
He follows a journey from the river s top to bottom and weaves the history ecology and peoples to show a region obsessed  
with the past and to show how this region holds a key to the complex and critical relationship between Russia and China  
today One of Asia s mightiest rivers the Amur is also the most elusive The terrain it crosses is legendarily difficult to traverse  
Near the river s source Ziegler travels on horseback from the Mongolian steppe into the taiga and later he is forced by the  
river s impassability to take the Trans Siberian Railway through the four hundred mile valley of water meadows inland As he  
voyages deeper into the Amur wilderness Ziegler also journeys into the history of the peoples and cultures the river s path  
has transformed The known history of the river begins with Genghis Khan and the rise of the Mongolian empire a millennium  
ago and the story of the region has been one of aggression and conquest ever since The modern history of the river is the  
story of Russia s push across the Eurasian landmass to China For China the Amur is a symbol of national humiliation and  
Western imperial land seizure to Russia it is a symbol of national regeneration its New World dreams and eastern prospects  
The quest to take the Amur was to be Russia s route to greatness replacing an oppressive European identity with a vibrant  
one that faced the Pacific Russia launched a grab in 1854 and took from China a chunk of territory equal in size nearly to  
France and Germany combined Later the region was the site for atrocities meted out on the Russian far east in the twentieth  
century during the Russian civil war and under Stalin The long shared history on the Amur has conditioned the way China  
and Russia behave toward each other and toward the outside world To understand Putin s imperial dreams we must  
comprehend Russia s relationship to its far east and how it still shapes the Russian mind Not only is the Amur a key to  
Putinism its history is also embedded in an ongoing clash of empires with the West **Phonology, dictionary and listing
