edge has given it postmodern chic to the point where noir no longer simply the name of a film genre is also the name of a literary genre a pop album and a perfume So noir lives but like any genre that endures it has had to continually reinvent itself While its defining subjects violence sex greed loss of innocence remain as do its dominant character types the femme fatale her vulnerable male victim and the private eye burdened with his own code of honor these ingredients have been blended in strikingly new ways Hirsch demonstrates how neo noir has reflected changes in contemporary life from film technology to social values Relentlessly mobile camerawork multilayered soundtracks and lush colors now work to create dark stories that tell of growing cynicism about government distrust of the press tensions in gender politics and in race relations In his map of neo noir Hirsch revisits scores of films released over the last four decades Odds Against Tomorrow Chinatown The Manchurian Candidate Cape Fear Kluge Body Heat The Last Seduction The Grifters The Usual Suspects L A Confidential and Pulp Fiction among many others Back cover [Video Hounds Golden Movie Retrievee](#) Gale Group,Jim Craddock,2000-08 Containing the most extensive listing of movies available on video and a multitude of cross referencing within its 10 primary indexes this new edition includes 1 000 new movies 23 000 in all expanded indexing a fresh new introduction and more of the beloved categories **The Essence of Film Noir** Diana Royer,2022-06-17 American classic films noir beginning with 1941 s The Maltese Falcon and ending with 1950 s Sunset Boulevard and the neo noir films made from the 1970s onward share certain thematic aspects stylistic qualities and cultural contexts Their concern with politics their depiction of con artists and the way their characters are shaped by America s puritanical religious roots show that these films are examples of a unique American genre even when the films directors are German emigres with artistic roots in European Expressionism The films psychological depth is revealed stylistically through complex narratives with select directors generating visual poetry as they deal with sex violence and betrayal Some films are based on popular novels inspired by true crime cases A unique approach to film noir scholarship this book discusses the genre s thematic aspects cultural contexts and stylistic qualities For those films based upon novels in depth analysis of the fiction is provided alongside the film version resulting in a fuller more thorough understanding of the genre *Videohound's Golden Movie Retriever* Jim Craddock,2006 Describes and rates more than twenty thousand videos and provides indexes by theme awards actors actresses and directors *VideoHound's Golden Movie Retriever 1999* Martin Connors,Jim Craddock,1999 This comprehensive guide contains the most extensive listing of movies available on video with 1 000 new movies added categories and more plus a multitude of cross referencing within its 13 primary indexes [Introduction to Film](#) Director of the Center for Great Plains Studies Professor of Economics Richard Edwards,Richard L.
