*Untidy Origins* Lori D. Ginzberg, 2006-03-08 On a summer day in 1846 two years before the Seneca Falls convention that launched the movement for woman's rights in the United States six women in rural upstate New York sat down to write a petition to their state's constitutional convention demanding equal and civil and political rights with men Refusing to invoke the traditional language of deference motherhood or Christianity as they made their claim the women even declined to defend their position asserting that a self evident truth is sufficiently plain without argument Who were these women Lori Ginzberg asks and how might their story change the collective memory of the struggle for woman's rights Very few clues remain about the petitioners but Ginzberg pieces together information from census records deeds wills and newspapers to explore why at a time when the notion of women as full citizens was declared unthinkable and considered too dangerous to discuss six ordinary women embraced it as common sense By weaving their radical local action into the broader narrative of

antebellum intellectual life and political identity Ginzberg brings new light to the story of woman s rights and of some women s sense of themselves as full members of the nation      A West Country Village Ashworthy W.M. Williams,2013-12-19 This volume examines the effects of rural depopulation as a process on the structure of family and kinship within one small rural area analysing the spatial relationships of social and economic change Part One documents these relationships in the context of family farming the second part is largely devoted to the effects of demographic change on the structure of family and kinship within one small community      **Marriage Choices and Class Boundaries** Marco H. D. van Leeuwen,Ineke Maas,Andrew Miles,2005 Endogamy the custom forbidding marriage outside one s social class is central to social history This study considers the factors determining who married whom whether partner selection changed over the past three hundred years and regional differences between Europe and South America      **The Country Year-book; Or, The Field, the Forest & the Fireside** William Howitt,1850      The Abbots Farm Henry Tanner,2025-07-20 Reprint of the original first published in 1880 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **The Sociology of an English Village: Gosforth** W. M. Williams,2013-11-05 This is Volume XI of thirteen in a collection on the Urban and Regional Sociology Initially published in 1956 the subject of this work is Gosforth in the North West with its long history and because it contained both a village and scattered farms The field work took place between July 1950 and February 1952 and further field work was carried out in the summer of 1953      *Farmers' Cabinet* ,1847      **Families and Farmhouses in Nineteenth-century America** Sally Ann McMurry,1988 A look at the changing design of 19th century American farmhouses collected from a wide range of agricultural periodicals of the time      **Annual Report of the Illinois Farmers' Institute** Illinois Farmers' Institute,1907 With reports of County farmers institutes for the year      **Milton Berle's Private Joke File** Milton Berle,1992-01-28 One of the legends of show biz delves into his personal treasury of jokes The most comprehensive storehouse of 20th century humor in the world Los Angeles Magazine to present the most astounding array of one liners anecdotes quips and gags ever published Line drawings      The Anthropological Study of Class and Consciousness E. Paul Durrenberger,2011-12-01 Presenting prehistoric historic and ethnographic data from Mongolia China Iceland Mexico Brazil and the United States The Anthropological Study of Class and Consciousness offers a first step toward examining class as a central issue within anthropology Contributors to this volume use the methods of historical materialism cultural ecology and political ecology to understand the realities of class and how they evolve Five central ideas unify the collection the objective basis for class in different social orders people s understanding of class in relation to race and gender the relation of ideologies of class to realities of class the U S managerial middle class denial of class and emphasis on meritocracy in relation to increasing economic insecurity and personal responses to economic insecurity and their political implications Anthropologists who want to understand the nature and dynamics of culture must also understand the nature and dynamics

of class The Anthropological Study of Class and Consciousness addresses the role of the concept of class as an analytical construct in anthropology and how it relates to culture Although issues of social hierarchy have been studied in anthropology class has not often been considered as a central element Yet a better understanding of its role in shaping culture consciousness and people s awareness of their social and natural world would in turn lead to better understanding of major trends in social evolution as well as contemporary society This book will be of great interest to students and scholars of anthropology labor studies ethnohistory and sociology
