Farmworkers Friend The Story Of Cesar Chavez:

Farmworker's Friend David R. Hammerback,Richard J. Jensen,2003-04 Although born into one of the least powerful segments of American society C sar Ch vez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C Hammerback and Richard J Jensen offer the first explanation of how Ch vez achieved that effect Although other studies of Ch vez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Ch vez s own texts scores of which have previously been unstudied Ch vez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Ch vez was able to identify with the character of his listeners That identification induced many audience members to support Ch vez s agenda for union activism The authors have developed a model to help explain Ch vez s startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Ch vez s world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Ch vez s surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators **Cesar Chavez** Sneed B.
