*Fascists in Christian Clothing* Richard Weisman, 2005-06-07 In *Fascists in Christian Clothing* the sequel to *Is America Nuts* Dr Stanley Warlib is back and he s discovered a melding of evangelical Christians Moonies and Conservatives to bring about a fascist state right here in the United States Banding together in a web of interlocking and interconnected organizations these architects of American society believe that America is a cesspool and that salvation lies in taking back America for Christ Three things stand in the way of ushering in the Kingdom of God to America liberals black robed judges and the secular government Dr Warlib suffering from the rare delusional disorder folie deux uses a radio show to reveal to listeners that all roads of this Fascist conspiracy lead to the Council on National Policy CNP CNP members control corporations involved in print television and radio that relentlessly propagandize against the evils of liberals the judiciary and the secular government Dr Warlib faces the disturbing realization that the vast right wing conspiracy is following Hitler s Fascist model and is indoctrinating the American electorate to accept the Fascist state through Christianity Victory for the Council seems to be in hand until Dr Warlib intervenes and attempts to separate the Fascist head from the evangelical body
