Correct Way to Wear Men's Clothing Ivan M C Chen Ph D, Ivan M. C. Chen, 2009-07-22 Many men think good quality clothes will make them look good. They do not realize that a man may not be given credit for the quality of his clothes because people know that he did not make the clothes he is wearing. But people will give the man credit if he coordinates his clothes nicely and wear them correctly. Less quality clothes that fit look more attractive than good quality clothes that do not fit. To wear the clothes right is as important as to wear the right clothes. Dr Ivan M C Chen has sold men's clothing for more than a decade. He has found that the most effective and efficient way to teach customers how to buy and wear men's clothing is to show them pictures of men wearing correct and incorrect articles of clothing. This book collects hundreds of interesting photos that have persuaded tens of thousands of consumers about men's clothing. Readers will find this book useful as well as entertaining. History of Men's Fashion

Nicholas Storey, 2009-08-19 Anyone aiming for timeless elegance rather than temporary chic will benefit from Storey's authoritative but readable book. Esquire Everything you ever wanted to know about men's clothing and so much more from the exact hour Nelson lost his right eye to the type of palm needed for a Panama hat what Cary Grant's tailor had to do to his shoulders and those all important questions of what to where when and why including when to wear a bow tie surely never is the only answer. A quirky book full of facts that you never realised you needed to know including the exact thickness of animal hair used to create must have fashion items including suits.

Provocative and controversial at times but always very well dressed Mr Storey a barrister offers a compendium of correct garments for all occasions plus the best places to bespeak them as well as anecdotes from films books royalty and the beau monde. He solves every quandary from proper full fig white tie to the right grey topper for Ascot to where to get and wear tweed. It is all here. Hats off Country Life Leaders of fashion all share one thing in common a discerning penchant for the English sartorial standard. This book covers all the main areas rather well just how Beau Brummell would have specified. Maxim Pokes gentle fun at men's fashions through the last two centuries. This is popular history at its very best amusing entertaining enlightening and very very funny. It's a brilliant book. Books Monthly *New York Magazine*, 1978-08-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the

energy and excitement of the city itself while celebrating New York as both a place and an idea
