Nolan**

Fast And Loose And The Buccaneers:

A Historical Guide to Edith Wharton Carol J. Singley, 2003 Various authors focus on life and works of Edith Wharton on her women in fashion in history out of time addiction and intimacy travel and modernity art the age of film The book contains an illustrated chronology and a bibliographical essay **Edith Wharton, Willa Cather, and the Place of Culture** Julie Olin-Ammentorp, 2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton's *The House of Mirth* *Ethan Frome* and *The Age of Innocence* and Cather's *O Pioneers* *My Antonia* and *Death Comes for the Archbishop* Yet despite their perennial popularity and their status as major American novelists Wharton 1862-1937 and Cather 1873-1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States [The Unpublished Writings of Edith Wharton Vol 1](#) Laura Rattray, 2024-10-28 During her lifetime Edith Wharton was America's most popular and prolific writer This book presents the unpublished writings of a canonical author along with three stage plays that open up a different field of Wharton studies It also includes a general introduction volume introductions textual variants headnotes and endnotes *No Gifts from Chance* Shari Benstock, 2010-06-25 The first new biography of America's foremost woman of letters in twenty years *No Gifts from Chance* presents an Edith Wharton for our times Far from the emotionally withdrawn and neurasthenic victim of earlier portraits she is revealed here as an ambitious disciplined and self-determined woman who fashioned life to her own desires Drawing on government records legal and medical documents and recently opened collections of Wharton's letters Shari Benstock's biography offers new information on what have been called the key mysteries of her life the question of her paternity her troubled relations with her mother and older brothers her marriage to manic depressive Teddy Wharton and her extramarital affair with Morton Fullerton *Language and Gender in American Fiction* Elsa Nettels, 1997 Between January 1880 and December 1889 Harper's Monthly Magazine published 263 works of fiction half of these were written by women Judging by the popularity of contemporary mass circulation magazines women writers of the late nineteenth century

enjoyed equal opportunity in the world of commercial publishing Yet although they wrote best sellers and won prizes the institutions that keep writers and their reputations alive chose not to sustain these writers and few are familiar today Sarah Orne Jewett Mary Wilkins Freeman Willa Cather Edith Wharton Elsa Nettels suggests that this lack of parity is not surprising in a culture that for centuries has used masculine to describe all things strong and dominant while feminine has signified weakness and inferiority In Victorian America the relation of literary style to gender became of increasing interest as women writers became ever more prominent In the influential magazines of the late nineteenth century Harper s Century Scribner s Atlantic Monthly Cosmopolitan and Ladies Home Journal writers directly or implicitly reflected society s views of the sexes and the proper roles of men and women In this intelligent and accessible book the author examines how William Dean Howells Henry James Edith Wharton and Willa Cather helped both to perpetuate and to subvert Victorian America s ideology of language and gender All had fruitful careers as novelists editors and critics and she demonstrates that each was in a unique position to affect popular language and gender stereotypes To gauge their responses to the pervasive assumptions held by the magazines that published them Nettels traces how these writers defined masculine and feminine in their works how they characterized women s speech and language how they distinguished male and female discourse and where they invested authority in matters of usage Taking into account others engaged in the Victorian construction of gender such as grammarians linguists sociologists and writers on etiquette Nettels offers a compelling look at the cultural perpetuation of ideologies as well as fascinating scholarship on four authors who manipulated social mores to establish their place in American literature

The Bloomsbury Handbook to Edith Wharton Emily Orlando, 2022-10-20 Bringing together leading voices from across the globe *The Bloomsbury Handbook to Edith Wharton* represents state of the art scholarship on the American writer Edith Wharton once primarily known as a New York novelist Focusing on Wharton s extensive body of work and renaissance across 21st century popular culture chapters consider Wharton in the context of queer studies race studies whiteness studies age studies disability studies anthropological studies and economics Wharton s achievements in genres for which she deserves to be better known poetry drama the short story and non fiction prose Comparative studies with Christina Rossetti Henry James and Willa Cather The places and cultures Wharton documented in her writing including France Greece Italy and Morocco Wharton s work as a reader and writer and her intersections with film and the digital humanities Book ended by Dale Bauer and Elaine Showalter and with a foreword by the Director and senior staff at The Mount Wharton s historic Massachusetts home the Handbook underscores Wharton s lasting impact for our new Gilded Age It is an indispensable resource for readers interested in Wharton and 19th and 20th century literature and culture

Fast and Loose ; And, The Buccaneers Edith Wharton, 1993 Contains the first and last novels written by Wharton both with the theme of women trapped by social convention and fateful forces into destructive marriages

A Son at the Front Edith Wharton, 2023-02-21 The war went on life went on Paris went on In *A Son at the Front* her only novel dealing with World War

I Edith Wharton offers a vivid portrait of American expatriate life in Paris as well as a gripping portrayal of a complex modern family The painter John Campton is divorced from the mother of his son George and although Julia s second husband Anderson Brant a wealthy banker has been a devoted stepfather to George Campton resents his presence in George s life This family drama is ruptured by the outbreak of fighting which requires George born in France to report for military service despite his parents belief that he should be exempted Reflecting Wharton s own experiences *A Son at the Front* documents the shock of the outbreak of war the early hope of a quick victory for the Allies the terrible human cost of the war and the relief when belatedly the United States enters the conflict The novel s tone reflects the realities of life in Paris and the profound disillusionment of the post war period standing as not only an important part of Wharton s oeuvre but a landmark in the literature of the First World War

Constance Fenimore Woolson and Edith Wharton Sharon L. Dean,2002 She argues that for both writers the manner in which they saw and transcribed landscape informed their ways of seeing themselves as artists Full of fresh insights into the literary achievements of both Woolson and Wharton Dean s book will also prompt readers to reconsider their own responses and obligations to landscape and how those responses are shaped by their experiences and by larger cultural forces

BOOK JACKET *Prospects for the Study of American Literature* Richard Kopley,1997-08 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain

House Of Mirth Janet Beer,Pamela Knights,Elizabeth Nolan,2007-07-25 Edith Wharton s *The House of Mirth* 1905 is a sharp and satirical but also sensitive and tragic analysis of a young single woman trying to find her place in a materialistic and unforgiving society The *House of Mirth* offers a fascinating insight into the culture of the time and as suggested by the success of recent film adaptations it is also an enduring tale of love ambition and social pressures still relevant today Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of *The House of Mirth* and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Wharton s text

Edith Wharton's The House of Mirth Janet Beer,Pamela Knights,Elizabeth Nolan,2007 Edith Wharton s *The House of Mirth* 1905 is a sharp and satirical but also sensitive and tragic analysis of a young single woman trying to find her place in a materialistic and unforgiving society The *House of Mirth* offers a fascinating insight into the culture of the time and as suggested by the success of recent film adaptations it is also an

enduring tale of love ambition and social pressures still relevant today Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of The House of Mirth and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Wharton's text **Literary Afterlife** Bernard A. Drew, 2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer's real or pen name undisguised offshoots issued under the new writer's name posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author's characters *Book Review Digest*, 1995 **Edith Wharton's The Age of Innocence** Arielle Zibrak, 2019-11-28 Following the publication of The Age of Innocence in 1920 Edith Wharton became the first woman to win the Pulitzer Prize To mark 100 years since the book's first publication Edith Wharton's The Age of Innocence New Centenary Essays brings together leading scholars to explore cutting edge critical approaches to Wharton's most popular novel Revisiting the text through a wide range of contemporary critical perspectives this book considers theories of mind and affect digital humanities and media studies narrational form innocence and scandal and the experience of reading the novel in the late twentieth century as the child of refugees With an introduction by editor Arielle Zibrak that connects the 1920 novel to the sociocultural climate of 2020 this collection both celebrates and offers stimulating critical insights into this landmark novel of modern American literature *Virginia*, 1993 *The Virginia Quarterly Review*, 1994

The Unpublished Writings of Edith Wharton: Plays. The man of genius ; Untitled play ; The arch ; The necklace ; Kate Spain Edith Wharton, 2009 At her death in 1937 Wharton left behind a collection of unpublished work written throughout her lifetime This book includes a novella penned when Wharton was only 14 two abandoned novels three stage plays and a frank life writings drafted late in her career *Choice*, 1994 *Children's Literature Abstracts*, 1994
