Burger King Newman found that fast food chains were the perfect petri dishes for covert research High pressure high volume businesses with high employee turnover The pecking order was also crystal clear from fry cook all the way up to store manager Of the seven restaurants where Newman worked some were high morale high productivity machines Others were miserable misplaced circles of hell Yet one common trait stuck out from them all Each restaurant s respective manager determined the climate of the work environment Go behind the fast food counter with Newman and see what happens on an average day on the McJob how the restaurants are run for better or worse how managers reward good employees when raises are impossible believe it or not bosses give em more hours and it works how morale and motivation spring directly from the manager s office and how a few simple adjustments to your own management style the Supersized Management Principles in this book can transform and invigorate your workplace

**Fast-Food King** Lisa Eisenberg,1980      **How to Start, Run, and Grow a Quick Service Fast Food Restaurant** Robert Winfield,2020-01-03

The golden arches The red haired girl with pigtails The colonel with a beard and signature bowtie All of these sentences instantly bring to mind the brands they are associated with and also probably the instant taste and smell of the food they sell These images are known on a global scale How did they do it Through the power of franchising Have you ever wanted to start your own fast food quick service restaurant Maybe you have an idea for the next big thing when it comes to this ever growing sector of the industry The average American spends about 1 200 a year on fast food That s easily 100 or more a month going towards this cultural phenomenon It really IS a phenomenon when you look at it in terms of how fast the concept of franchised fast food has grown in less than a century Close your eyes and take yourself back to your childhood Of course you can remember the people and places but it is the smell of food that makes the jigsaw stick together Your mother your father the heartbeat of the kitchen and the taste of love made real I have vast experience in starting running and ending a profitable restaurant business I feel it is my duty to show you how to start your business from scratch run it as best as you can and then how to gracefully bow out if that time comes Most importantly I want to equip you with my advice not just of what to do but also of what not to do when you decide to start your own fast food restaurant In this book you will learn all about the fast food industry starting your own quick service restaurant and what franchises are made of We will cover topics such as The history and basic industry of fast food How fast food and franchises got their start What it takes to be an entrepreneur Exactly what it takes to start your business from scratch How to deal with financiers How to cover all the bases with insurances licensing and equipment How and when to expand your business What the future trends of this industry are Exactly what franchising means what costs are included in a franchise and the pros and cons of buying into a franchise vs starting out on your own Financing and the corporate culture once you take on a franchise business Lastly we ll cover some non food franchises in case you end wanting to venture down a little different path Even though this book is choc full of information I would greatly encourage you to read literally anything you can about starting the business of your dreams including but not limited to this book As a BONUS when

you purchase the paperback book here on Amazon you can download the Kindle version for FREE      Fast Food King L. Brewster,      Manage Fast Food Bryan Westra,2014-10-27 Many managers are making a lot of money in fast food Sooner or later you may find yourself promoted into management if you aren't already Regardless I need to tell you that there are things about managing a fast food restaurant quick service restaurant you don't know however should know That's where this book comes in handy Immediately pick up a copy of this book and read it cover to cover What you'll discover will astonish you Imagine learning how to manage people better immediately gain deep rapport and favor with the people who count and make more money at once I don't know if you want an instruction manual that will hold your hand and give you the vital secrets necessary to prompt you to be one of the best managers or not I don't know if you want to discover how to make the type of money only a few managers really know how to make Does it matter What really matters is you can make your life a lot easier your income a lot more plentiful and your job immensely more fun than it could be doing anything else Being a fast food manager in the quick service industry may be something you fall in love with after you read this book You see this is a special book that under promises and over delivers You'll love how now you finally have the instruction manual to go from the bottom of the food chain to the top and almost over night If you're in fast food or any management position grab a copy of this book today and take these secrets to the bank      *Fast Food Restaurant Entrepreneurs* Nada Godwyn,2021-06-06 The fast food sector contains a number of popular franchises including McDonald's KFC and Taco Bell YUM and Wendy's WEN McDonald's has led the fast food industry in terms of overall sales and number of restaurants worldwide followed by Subway and Starbucks SBUX Fast food chains earned much of their success by offering quick inexpensive meals that are always made exactly the same way However over the last few years fast casual restaurants have continued to eat into the market share of leading quick service chains Why don't you learn from the big thinkers Start Up your fast food restaurant right now with this book In this book you will learn all about the fast food industry starting your own quick service restaurant and what franchises are made of You will Learn The history and basic industry of fast food How fast food and franchises got their start What it takes to be an entrepreneur Exactly what it takes to start your business from scratch How to deal with financiers How to cover all the bases with insurances licensing and equipment How and when to expand your business What the future trends of this industry are Exactly what franchising means what costs are included in a franchise and the pros and cons of buying into a franchise vs starting out on your own Financing and the corporate culture once you take on a franchise business Buy this book now      **Fast Food Felicity** Jenny Hargreave,2001 Felicity O'Fingle loves fast food Every day she drives her old red car into town to buy her favorite fast food One day Felicity's car breaks down Then she learns that it is important to put the right things into cars and into your body      **Hamburger: Big Mac** Lea Rawls,2019-03-06 A hamburger beefburger or burger is a sandwich consisting of one or more cooked patties of ground meat usually beef placed inside a sliced bread roll or bun The patty may be pan fried grilled or flame broiled Hamburgers are often served with cheese lettuce

tomato onion pickles bacon or chiles condiments such as ketchup mayonnaise mustard relish or special sauce and are frequently placed on sesame seed buns A hamburger topped with cheese is called a cheeseburger The term burger can also be applied to the meat patty on its own especially in the United Kingdom where the term patty is rarely used or the term can even refer simply to ground beef The term may be prefixed with the type of meat or meat substitute used as in turkey burger bison burger or veggie burger The term burger a back formation is associated with many different types of sandwiches similar to a ground meat hamburger but made of different meats such as buffalo in the buffalo burger venison kangaroo turkey elk lamb or fish like salmon in the salmon burger but even with meatless sandwiches as is the case of the veggie burger Louis Lassen of Louis Lunch a small lunch wagon in New Haven Connecticut is said to have sold the first hamburger and steak sandwich in the U S in 1900 New York magazine states that The dish actually had no name until some rowdy sailors from Hamburg named the meat on a bun after themselves years later noting also that this claim is subject to dispute A customer ordered a quick hot meal and Louis was out of steaks Taking ground beef trimmings Louis made a patty and grilled it putting it between two slices of toast Some critics like Josh Ozersky a food editor for New York Magazine claim that this sandwich was not a hamburger because the bread was toasted Hamburgers are usually a feature of fast food restaurants The hamburgers served in major fast food establishments are usually mass produced in factories and frozen for delivery to the site These hamburgers are thin and of uniform thickness differing from the traditional American hamburger prepared in homes and conventional restaurants which is thicker and prepared by hand from ground beef Most American hamburgers are round but some fast food chains such as Wendy s sell square cut hamburgers Hamburgers in fast food restaurants are usually grilled on a flat top but some firms such as Burger King use a gas flame grilling process At conventional American restaurants hamburgers may be ordered rare but normally are served medium well or well done for food safety reasons Fast food restaurants do not usually offer this option The McDonald s fast food chain sells the Big Mac one of the world s top selling hamburgers with an estimated 550 million sold annually in the United States Other major fast food chains including Burger King also known as Hungry Jack s in Australia A W Culver s Whataburger Carl s Jr Hardee s chain Wendy s known for their square patties Jack in the Box Cook Out Harvey s Shake Shack In N Out Burger Five Guys Fatburger Vera s Burgerville Back Yard Burgers Lick s Homeburger Roy Rogers Smashburger and Sonic also rely heavily on hamburger sales Fuddruckers and Red Robin are hamburger chains that specialize in the mid tier restaurant style variety of hamburgers Some restaurants offer elaborate hamburgers using expensive cuts of meat and various cheeses toppings and sauces One example is the Bobby s Burger Palace chain founded by well known chef and Food Network star Bobby Flay Hamburgers are often served as a fast dinner picnic or party food and are often cooked outdoors on barbecue grills
