Economic Reform Policies And The Labour Market In Nigeria:

Economic Reform Policies and the Labour Market in Nigeria Tayo Fashoyin, 1994 Based partially on a survey of 508 enterprises from the public and private sectors and covers the 1980s *Reforms and Nigerian Labour and Employment Relations* Otobo, Dafe, 2016-07-25 This collections of papers from twenty seven chapters is on aspects of reforms and labour and employment relations in Nigeria over the past three decades **The Nigerian Journal of Economic and Social Studies** ,1999 Manufacturing Transformation Carol Newman, John Page, John Rand, Abebe Shimeles, Måns Söderbom, Finn Tarp, 2016 This book addresses three questions Why is there so little industry in Africa Does it matter And what can be done about it It gives some of the results of a four year research programme by national and international researchers into what makes firms in low income countries more competitive and what makes countries more attractive to competitive firms The book fills an important gap in development economics and African studies There is no other book on the market devoted to such a comprehensive comparative cross country analysis of Africa s industrialization experience Both the policy conclusions drawn from the comparative analysis and the case studies in their own right will be of substantial interest to readers Policy makers in governments and international development agencies in particular will find the book useful and provocative This is an open access title available under the terms of a CC BY NC SA 3 0 IGO licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations **The Nigerian Journal of Economics and Social Studies** ,2004 BEYOND OUR IMAGINATIONS Simi Afonja, 2022-06-17 Beyond our Imaginations African Women s Realities is the product of dialogues on Gender and Feminism in the region of Africa It is the first in the series Feminism Visions of Society The book provides a balanced review of Western and West African theories and of participatory methodologies paying particular attention to the exclusion of grassroots feminism from the growing body of knowledge and action It builds on existing essentialist theorizing without disregarding the overlaps with feminism in other cultures Cultural knowledge is extended in discussions of grassroots women s loss of power and voice through changing gender images the declining culture of the Deification of Motherhood Women s Leadership in Modern Markets Female Traditional Rulership and Women s Influence in Community Development and Peace Building This book helps to understand why too often there are gaps between theory and the policies designed to improve African Women s lives There is also a repertoire of qualitative data about feminist practices and strategies at the household level in the workplace and the political domains as part of the patriarchal bargain in African cultures While the collection celebrates the importance of the imagination in building feminist knowledge it takes a more cautionary stand calls for methodological flexibility and sophistication as African scholars expand feminist knowledge **Benefits and Costs of Economic Reforms in Nigeria** Nigerian Economic Society. Conference, 2006 **The Nigerian Economy and Current Economic Reforms** Augustus N. Gbosi, 2007 Economic Growth and Employment in Vietnam David Lim, 2014-03-21 Vietnam has enjoyed significant

economic success since the implementation of its doi moi reforms including rapid growth in GDP exports and foreign and domestic investment and a shedding of poorly performing state owned enterprises Despite this however the economic situation for many ordinary people in Vietnam is fragile with income only just above the poverty line and high unemployment especially among the young In addition inflation is high and the state owned sector is still large much of it still performing badly This book provides a comprehensive overview of the current economic situation in Vietnam It outlines the state of the economy paying special attention to employment discusses government policies including on trade and integration with the global economy and concludes by assessing the key challenges facing Vietnam s economy going forward *Rural*

Development International Labour Office,1991 Entries in English and various other languages *Global Industrial Relations* Michael J. Morley,Patrick Gunnigle,David Collings,2006-11-22 Breaking new ground and drawing on contributions from the leading academics in the field this volume in the Global HRM Series specifically focuses on industrial relations **Trade**

Unions and Sustainable Democracy in Africa Gerard Kester,Ousmane Oumarou Sidibe,2019-05-23 First published in 1997 this volume sets out to open a dialogue with the trade union movement and its social partners including civil society political leaders and the scientific community The authors all of whom work closely with APADEP have drawn on their personal experience and have been guided by a simple yet flexible theme trends in the last few decades in their countries with the emphasis on transition over the last five years Part I consists of an overview of sub Saharan Africa based on selected documentation Part II is given over to an analysis of the specific situations obtaining in ten African countries in different geographical and language areas Each case study provides its own democratisation scenario **The Economics of Gender**

Equality in the Labour Market Meltem İnce Yenilmez,Gül Ş. Huyugüzel Kışla,2021-03-07 This book evaluates the global labour market in the context of gender equality and the associated policies and regulations particularly in developing markets to recommend measures for encouraging gender equality It exposes the barriers that women employees encounter as well as some of the societal and workplace policies they specifically are subject to Important themes within this topic include participation rates the looming gap in hourly pay availability of part time and full time positions value and social status associated with jobs held by men and women The book examines how global gender policy objectives such as gender equality in careers gender balance in decision making and gender dimensions in research can be incorporated into policy frameworks The book analyzes the gendered nature of assumptions processes and theories The juxtaposition between family and work tradition and modernity and dependency and autonomy clearly still seems to be misunderstood Therefore the book asks whether work improves women s positions in society and or changes their roles in their families The authors explore and uncover the connections among employment entrepreneurship migration economies and gender global labour markets and provide helpful solutions to the perceptions surrounding women s status risks and inequality that limit their economic participation This insightful read provides comprehensive details on a variety of themes and encourages further research on

policies that are key to promoting gender equality The book will appeal to postgraduate students and researchers of labour and feminist economics the economics of gender women s studies and sociology **Structural Revolution in**
