Planning Research in Hospitality and Tourism

Levent Altinay,Alexandros Paraskevas,SooCheong (Shawn) Jang,2015-10-23 *Planning Research in Hospitality and Tourism* provides an accessible concise and practical guide to planning conducting and analysing research in tourism and hospitality The authors skilfully introduce the basic principles and techniques of research in the international hospitality and tourism sectors and provide detailed guidance on both quantitative and qualitative methods of research It includes a variety of features throughout to aid students understanding and offers practical tips to help students overcome any potential research issues Building on the success of the first edition the volume has been fully revised and updated and contains new chapters on mixed methods and how to make best use of recent technology in research practices The second edition also benefits from increased coverage of research design strategies including sampling ethnography and experimental design inclusion of computer mediated data collection techniques such as online interviews online focus groups and online observation netnographic research new and updated international case studies and extracts with a more even spread of tourism and hospitality examples of research online student and lecturer resources including PowerPoint slides and a test bank of multiple choice and true false questions for each chapter Written by three leading scholars with experience of both the industry and university courses globally this insightful text is an essential resource for all tourism and hospitality research students and early career research professionals around the world

Copyright Industries and the Impact of Creative Destruction Jiabo Liu,2013 This book examines the relationship between the legal extension of copyright duration as an enduring means of copyright protection and the growth of the UK book publishing industry as a typical creative industry reliant on copyright The book draws on Schumpeter s theory of creative destruction to analyse the implications of copyright law and policy on the book industry and illustrate the dynamic interaction between copyright expansion and the growth of the creative industries The book reviews the historical development of UK copyright expansion and also considers copyright in the digital age It explores the legal and economic concerns about copyright protection in general and the expansion of copyright duration in particular Using an innovative empirical method it explores whether the expansion of the duration of copyright promotes or precludes the growth of book publishing industry It goes on to suggest changes to copyright policy which would have an impact on the economics of innovation in the creative industries This book will be of particular interest to scholars and students of Intellectual Property Law

Planning Research in Hospitality & Tourism Levent Altinay,Alexandros Paraskevas,2009-11-04 *Planning Research in Hospitality and Tourism* provides a concise and clear approach to planning research projects which are a necessity in most hospitality and tourism courses taught at degree level The text considers the particular characteristics of the hospitality and tourism industry whilst providing a balanced approach toward both quantitative and qualitative methods of research The text also carefully considers the international aspect of the industry and the people it employees which supports the books aims of Providing an excellent understanding of the basic principles of conducting research in a straight forward no nonsense guide Carefully considering the particular characteristics

of the hospitality and tourism sectors in relation to embarking on a research project in the area Including in each chapter an International Dimension section as well as case studies questions and reflections on the research process Guide to Reference in Business and Economics Steven W. Sowards, Elisabeth Leonard, 2014-07-22 Focusing on print and electronic sources that are key to business and economics reference this work is a must have for every reference desk Readers will find sources of information on such topics as Business law E commerce International business Management of information systems Occupations and careers Market research Guide to Reference is used internationally as the source of first resort for identifying information and training reference professionals and this book will help connect librarians and researchers to the most relevant sources of information on business and economics

Handbook of Quantitative Thinking. Second Edition Sixtus Kage, 2025-09-03 This Handbook of Quantitative Thinking provides an interconnected and unusually thorough look at the world around us From small things such as soap bubbles to big things such as ships and buildings quantitative questions are posed and answered in comprehensive case studies When necessary rough estimates are provided How much soap is in a soap bubble What is the volume and the weight of the water film enclosing a soap bubble What is the thickness of a line drawn with a pencil How many carbon dioxide molecules does a burning candle produce per photon of visible light emitted How many sugar cubes can keep you alive for 90 days How many Mars trademark bars do you need to fly to planet Mars and back if the Mars bars are your only food How much oxygen does a field tree produce per year How many shiploads of liquefied natural gas LNG would Germany need per year if the central heating units in all buildings ran on gas imported from overseas By how much is a church tower shorter owing to the compression of the bricks and the mortar under the weight of the structure How much energy is needed globally for making bread and cooking rice How does that figure relate to Germany's total energy demand Since they are deeply interested in the physical world around them children physicists and engineers will surely like the questions raised in this book and the answers given Future consultants may have to answer questions like the following ones in job interviews What is a needle in a haystack in ppm or ppb How many trees per year do you need to supply a country with toothpicks The book also contains an index of quantitative data occurring in the case studies and in other sources sorted by type and magnitude The bibliography alerts the readers to a multitude of books covering related subject matter
