the changing nature of the oil industry the book also puts forward important conclusions including the fact that in the late nineteenth century private enterprise rather than the state was the principal driver of economic development and that after the collapse of the Soviet Union incumbent managers were more effective in running their companies than financier entrants whose main concern was short term gain

International Energy Outlook ,2004-04 **Helena National Forest (N.F.), Cabin Gulch Vegetation Treatment Project** ,2012 **Financial Fiasco** Johan Norberg,2012-06-20 Now newly expanded with a with a new chapter on the spreading global economic crisis Financial Fiasco guides readers through a world of irresponsible behavior by consumers decisionmakers in companies government agencies and political institutions

The Political Economy of Stalinism Paul R. Gregory,2004 This book uses the formerly secret Soviet state and Communist Party archives to describe the creation and operations of the Soviet administrative command system It concludes that the system failed not because of the jockey i e Stalin and later leaders but because of the horse the economic system Although Stalin was the system s prime architect the system was managed by thousands of Stalins in a nested dictatorship The core values of the Bolshevik Party dictated the choice of the administrative command system and the system dictated the political victory of a Stalin like figure This study pinpoints the reasons for the failure of the system poor planning unreliable supplies the preferential treatment of indigenous enterprises the lack of knowledge of planners etc but also focuses on the basic principal agent conflict between planners and producers which created a sixty year reform stalemate
