collaborating with Members and other partners although it has engaged less in innovative partnerships with the private sector financing institutions and civil society viii

FAO has progressed on the inclusion of gender specific climate action initiatives The recommendations of the evaluation include developing a corporate narrative on climate change and food systems formulating a new Climate Change Strategy and action plan improving the climate change labelling of its project portfolio mainstreaming climate action into all offices divisions and levels and including coordination and guidance to embed procedures in the project cycle quality assurance and learning mechanisms adopting a climate action focused programmatic approach running an assessment to identify capacity gaps needs and opportunities and accordingly strengthening the capacity of staffing funding and inter office communication enhancing its partnerships and seeking out innovative partnerships and mainstreaming the core leave no one behind by including women youth the extreme poor indigenous peoples and other vulnerable groups
