Farish,1984 **String Music in Print** ,1973 *Acts of Care* Sara Ritchey,2021-03-15 In *Acts of Care* Sara Ritchey
recovers women s healthcare work by identifying previously overlooked tools of care healing prayers birthing indulgences
medical blessings liturgical images and penitential practices Ritchey demonstrates that women in premodern Europe were
both deeply engaged with and highly knowledgeable about health the body and therapeutic practices but their critical role in
medieval healthcare has been obscured because scholars have erroneously regarded the evidence of their activities as
religious rather than medical The sources for identifying the scope of medieval women s health knowledge and healthcare
practice Ritchey argues are not found in academic medical treatises Rather she follows fragile traces detectable in liturgy
miracles poetry hagiographic narratives meditations sacred objects and the daily behaviors that constituted the world as well
as in testaments and land transactions from hospitals and leprosaria established and staffed by beguines and Cistercian nuns
Through its surprising use of alternate sources *Acts of Care* reconstructs the vital caregiving practices of religious women in
the southern Low Countries reconnecting women s therapeutic authority into the everyday world of late medieval healthcare

efforts of Professor Vincent H Duckies The Catalog of Pre 1900 Vocal Manuscripts focuses on the third major segment of the

works encompass a wide range of musical styles religious and secular vocal and instrumental serious and popular and date
from the eleventh to the late nineteenth century Although the catalog does not include musical incipits it provides a valuable
inventory of these manuscripts for scholars and researchers The materials were acquired through various antiquarian

dealers across Europe and the United States and while some background information may have been lost during transfers the manuscripts remain a rich resource for study Emerson notes that the collection s value will ultimately be determined by the scholarly community whose research and exploration will continue to uncover the insights hidden within these historical documents This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1988 Virginia Librarian ,1989 Boletín oficial de la Oficina Nacional de Invenciones, Información Técnica y Marcas Cuba.
