about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine **How to be a Movie Star** William J.
