Elsie Ripley Clapp (1879-1965) Sam F. Stack, 2004. This biography chronicles the life and teaching practices of Elsie Ripley Clapp, one of the most significant female leaders in progressive education. Clapp's greatest contribution to American education is the community school, a place for self-realization, caring, cooperation and cultural enrichment as well as the cornerstone of democratic society. Challenging the practices of contemporary education in her era, she envisioned pedagogy as the integration of living and learning, building upon local resources and the experiences of students and their community. Learning was more than training or the acquisition of knowledge; it was a form of communal sharing. Agreeing with her mentor John Dewey, a true education was more of a journey than arrival at a specific destination. This book explores Clapp's personal journey, her triumphs and her failures.

Murder, Mystery and My Family Karen Farrington, 2019-10-31. Five Women. Five families search for justice. All Sarah Chesham wanted was to survive at a time when crops were poor and money was tight. By the time she died, she was branded a merciless child killer. All Emily Swann wanted was the love of a man who wouldn't abuse her. By the time she died, she was depicted as a vengeful, drunken hussy. All Edith Thompson wanted was a romance with a man who adored her. By the time she died, she was seen as a scheming and manipulative adulteress. All Louie Calvert wanted was to be heard. Yet when she died, she slipped almost immediately into the shadows like thousands of other women like her. All Charlotte Bryant wanted was a distraction from a dreary life. By the time she died, she was deemed a seductress and an arch poisoner. No one wants to believe that their mother, sister or daughter is capable of murder. When a woman is charged

with a killing we judge more harshly and punish more severely than when a man does the same Murder Mystery and My Family explores five historical true crime tales from the hit BBC series each with a woman at the heart of the story from a case of poison panic in the 19th century to a post war murder that gripped the nation Tales of infidelity and greed corruption and deceit run throughout but was justice served for all Descendants of those convicted revisit each case in search of answers Based on extensive research including original court records and interviews with descendants Murder Mystery and My Family delves deeper into each crime while also looking at our changing attitudes to women who have found themselves at the centre of our darkest dramas
