Falling in Love with Work Denice Kronau, 2011 Most of us fantasize about what it would be like to walk away from work Denice Kronau did it On the surface Denice had it all a great job as CEO of a 100 million company offices in thirty countries and travel around the world However her great job was killing her because she couldn t keep work in perspective She let it take over her life and was exhausted overworked overweight and endlessly running on a hamster wheel When it became too much she took an unpaid sabbatical and spent months regaining a sense of balance in her life She explored what drove her to work in such a destructive way and discovered many insights about work More importantly she found what made her happy at work In *Falling in Love with Work* Denice shares many of these key elements such as We re human beings not human doings Don t feed the urgent while starving the important It s perfectly fine to Find out what you don t do well and don t do it to quote Alf the 1980s TV character Be happy now Don t postpone happiness while waiting for a one time event About the Author Denice Kronau is a veteran of corporate life During her thirty year career she has held positions of chief executive officer chief financial officer and chief diversity officer She has worked for notable global companies such as Altria Diageo PLC and Siemens AG

A Networked Self and Love Zizi Papacharissi, 2018-06-12 We fall in love every day with others with ideas with ourselves Stories of love excite us and baffle us This volume is about love and the networked self It focuses on how love forms grows or dissolves Chapters address how relationships of love develop are sustained or broken up through technologies of expression and connection Authors explore

how technologies reproduce reorganize or reimagine our dominant rituals of love Contributors also address what our experiences with love teach us about ourselves others and the art of living Every love story has a beginning and an end Technology does not give love the kiss of eternity but it can afford love new meaning *Love Hard* Jason Wren,2021-03-17 Most of us have a fundamental misunderstanding of love We think it is about us We believe it is about how someone or something makes us feel When something or someone fails to give us the positive feeling we want we move on and look for something else This type of love requires little effort By making it about us and how we feel we miss the many opportunities presented to us every day to have lasting and meaningful impact To truly love is hard It is not a feeling but an action It requires us to be intentional and outwardly focused on others rather than internally focused on our own feelings When we love hard our lives have real meaningful lasting positive impact on the world around us In *Love Hard* Jason Wren uses stories from his and others lives to show how all of us can learn to love hard and thus have significant and lasting impact
