Embracing Persephone Virginia Beane Rutter, 2000 Beginning where her bestselling *Celebrating Girls* left off Rutter follows up with a book of advice for mothers of adolescent daughters *Embracing Persephone* Virginia Beane Rutter, 2000-04-01 If you are the mother of a teenage girl you will have no trouble relating to the archetype in Greek mythology of Persephone returning from the Underworld to be reunited with her mother the goddess of the harvest Demeter This book covers your daughter's teen years and early 20s All of the questions you struggle with are directly addressed here The emphasis is on positive solution oriented strategies that show how mothers can use the uproar associated with the teen years to learn about themselves and their children and to help their daughters cope in a positive way with the pressures inherent in coming of age Gives us the bridges we need to connect our world to theirs Right From Wrong Michael Riera, Joseph Di Prisco, 2009-02-23 Does your child have a conscience Is he remorseful when caught in a lie Very high on any wise list of dreams for our children is the hope that they become people of integrity But integrity is not simply something that happens as a result of unconditional love healthy genes or good luck it emerges if it does because parents make it a priority to exercise influence in this arena Combining stories of children experiencing the day to day struggles of growing up with compassionate in depth analysis and pragmatic counsel Right From Wrong makes nurturing the qualities of integrity tangible to parents and to the others who might be actively involved in guiding a child's moral life Through the authors wise and discerning eyes we witness children as they experience loss or sadness react to sibling rivalries schoolyard violence and academic pressures or even while they interact at the family dinner table The ways in which parents use listening praise discipline honesty and consequences to react to these situations reinforces a child's sense of right and wrong from these choices readers will learn valuable lessons about a parent's power to nurture character and morality in young children

amBITCHous Debra Condren, 2006-12-26 Wouldn't it be great if you could be audaciously ambitious and happy at the same time You can and you will I'm here to tell you that all of your priorities personal and ambitious career goals alike can fit together harmoniously I'll show you how like thousands of women I've worked with over the years you can make more money earn the credit and recognition you deserve have more power and be as ambitious as you want to be I'll show you how you can be ambitichous without compromising your ethics and integrity I'll show you that you can feel worthy and entitled to all of this without fear that you risk sacrificing your desire to have a full happy personal life and without being afraid that you'll be less of a woman It's worked for me It's worked for countless ambitichous women I've advised It will work for you From amBITCHous We women aren't advancing in our careers the way we should We're not making the money we deserve or getting the fulfillment we desire And this time it's not men who are holding us back This time we're doing it to ourselves because ambition for us is still a dirty word Debra Condren has coached thousands of women at every level from those just starting out to the most powerful female executives in the United States and each one possesses the same fear if she goes

after her dream she'll be seen as selfish bitchy a bad wife or bad mother But it's exactly this fear of ambition that has forced women to leave the best part of themselves their dreams their great talents by the roadside rendering them less able to be the whole people they should be in every area of their lives Condren has a new message and mission to remind women that ambition is a virtue not a vice Ambition is the best of who we are The real way to have a great life is to see ambition as a part of your value system to which you must give equal attention along with the other priorities you hold dear including your spouse your children and your friends In amBITCHous Dr Condren offers fresh powerful tools for reclaiming your dreams Her eight amBITCHous Rules provide concrete innovative solutions to the everyday struggles we as women face like taking credit deflecting detractors and handling confrontation so that you can become more powerful and fulfilled at work and more satisfied at home You can redefine your ambition in the face of social sanctions and unapologetically go after your dreams without sacrificing the rest of your life You owe it to yourself and the world to make the contribution you were born to make Debra Condren will show you how to do it *Ancient Greece, Modern Psyche* Virginia Beane Rutter, Thomas

Singer, 2015-04-10 Between ancient Greece and modern psyche lies a divide of not only three thousand years but two cultures that are worlds apart in art technology economics and the accelerating flood of historical events This unique collection of essays from an international selection of contributors offers compelling evidence for the natural connection and relevance of ancient myth to contemporary psyche and emerges from the second Ancient Greece Modern Psyche conference held in Santorini Greece in 2012 This volume is a powerful homecoming for those seeking a living connection between the psyche of the ancients and our modern psyche This book looks at eternal themes such as love beauty death suicide dreams ancient Greek myths the Homeric heroes and the stories of Demeter Persephone Apollo and Hermes as they connect with themes of the modern psyche The contributors propose that the link between them lies in the underlying archetypal patterns of human behaviour emotion image thought and memory Ancient Greece Modern Psyche Archetypes Evolving makes clear that an essential part of deciphering our dilemmas resides in a familiarity with Western civilization's oldest stories about our origins our suffering and the meaning or meaninglessness in life It will be of great interest to Jungian psychotherapists academics and students as well as scholars of classics and mythology **Persephone** Eva
