## **Emergence The Ascendants Of Estorea:**

Cry of the Newborn James Barclay, 2009-12-23 The Estorean Conquord has stood for 850 years Its Advocate Herine Del Aglios knows that she presides over the greatest civilisation in history But she wants more And in Estorea s recently conquered territories dissent is brewing Forced to fight old friends and neighbours in the cause of the ever growing Conquord they face brutal choices and savage demands for money and men to be fed into Estorea s wars demands made by Paul Jhered head of the Gatherers and the iron hand of the Advocate With Jhered by her side Herine believes that nothing can go wrong Until a disastrous and bloody reversal in the war to overrun the Kingdom of Tsard puts Estorea s armies on the back foot and has Tsardon troops flooding into the Conquord As the empire trembles far from the war four unique children are discovering their powers They are the first true Ascendants in touch with the elements able to shape the world An empire descending into war is about to discover the wonder and terror of magic James Barclay s new series is a triumph of epic plotting and heart stopping action

Shout For The Dead James Barclay, 2009-12-10 In THE CRY OF THE NEWBORN we were introduced to four teenagers each of whom had nature at their command They became the pawns in the struggle of the Estorean empire to survive Through them their world discovered magic and we were drawn into a superb new epic fantasy that for the first time told the story of what happens when magic arrives in a previously non magical world Now ten years have passed and Estorea is consumed by war and the four ascendants have chosen different sides in the conflict As the armies muster and the final conflict draws close the ascendants are only now coming to their full power and soon summoned armies of the dead will march against the living This is epic fantasy full of fallible characters political machinations betrayal and bloody battles It combines vivid storytelling with an original theme in a popular sub genre and shows Barclay to be a writer who is getting better with every book and who is truly comfortable with epic scale

**Elves: Rise of the TaiGethen** James Barclay, 2012-02-16 THE ELVES ARE ENSLAVED Calaius is occupied by an implacable relentless enemy The great elven cities are little more than prison camps Elven slaves are forced to destroy their beloved rainforest to harvest timber for their masters The enemy has no mercy no honour and little skill in battle The enemy is Man Those few elves who remain free are fragmented in squabbling factions and they must unite before they can take a stand against Man Many believe that the battle is already lost but Auum is not one of them He knows Men s numbers are great but their tactics are weak he knows Men think the Elves are already beaten he is convinced that his people must fight now or see their race destroyed Takaar disagrees He believes Elven salvation lies in unlocking their magic not in fighting pitched battles against Man He is determined to save his people too but his tactics are entirely different and if some Elves must die now to ensure Calaius will be free of Man in the future it s a sacrifice he is willing to make The Elves must choose their sides Whatever they decide victory will win their freedom and failure will mean extermination

*Elves: Beyond the Mists of Katura* James Barclay, 2013-05-16 Thousands of years ago the elves were enslaved by the Wytch Lords Murdered in their thousands worked

to death in slave gangs and divided against themselves the wounds inflicted by man run deep and elves have very long memories Two of them Auum and Takaar led the rise against their enslavers and united their people against men in order to free their nation Now Calaius is at peace but that doesn't mean their nation is safe Men need their help The Wytch Lords have rallied men's magic has grown more powerful and their politics have become altogether more dangerous Especially now one of the mages has created a spell called Dawnthief which has the potential to destroy all living things on the planet All four magical colleges are fighting to seize it and in the background the Wytch Lords have schemes of their own Schemes which involve crushing the elven nation for good Whoever seizes the spell it places the elves in tremendous danger But can Auum and Takaar overcome their differences and work together to save Calaius And even if they can is it not already too late Find out more on his website [www.jamesbarclay.com](http://www.jamesbarclay.com) or you can follow barculator on Twitter *The Queen's Assassin* James Barclay, 2022-06-09 Naida is living a lie A peerless battlefield surgeon A talisman for the army A symbol of hope in an impossible grinding war A fraud Society led by the queen has long held that the Esselrode people and their abilities are inherently irredeemably evil a truth which Naida has been brought up to believe But as one of them feeling compelled to use her powers again and again to heal those on the brink of death it's hard to accept It's even harder to live a lie conflicted about her hidden identity when the truth could save lives Taken from the battlefield where she thrives to a court where her life hangs ever more precariously in the balance Naida is about to learn that there are even greater secrets and conspiracies afoot and that her dangerous truth could change the course of a nation James Barclay is back with a brand new standalone adventure which will tug on your heartstrings and keep you glued to your seat James is truly a fantasy great and this new novel will satisfy all fans of the genre *Heart of Granite* James Barclay, 2016-08-18 The world has become a battleground in a war which no side is winning But for those determined to retain power the prolonged stalemate cannot be tolerated so desperate measures must be taken Max Halloran has no idea He's living the brief and glorious life of a hunter killer pilot He's an ace in the air on his way up through the ranks in love and with his family's every need provided for in thanks for his service Max has everything right up until he hears something he shouldn't have and refuses to let it go Suddenly he's risking his life and the lives of all those he cares about for a secret which could expose corruption at the highest levels and change the course of the war One man one brief conversation a whole world of trouble **The British National Bibliography** Arthur James Wells, 2007 **Elves: Rise of the Taigethan** James Barclay, 2011-09 The Elves have been driven out of their capital The invading forces of Mankind backed by the terrifying power of their mages have taken hundreds of elves as hostages and have now begun to plunder the sacred jungles of Calaius **Elves: Rise of the TaiGethen** James Barclay, 2012 The Elves have been driven out of their capital The invading forces of Mankind backed by the terrifying power of their mages have taken hundreds of elves as hostages and have now begun to plunder the sacred jungles of Calaius
