Elizabeth Gaskell A Portrait In Letters:

Elizabeth Gaskell J. A. V. Chapple, 2007 **Elizabeth Gaskell** J. A. V. Chapple, 1997-03 This absorbing study of Elizabeth Gaskell's early life up to her marriage in 1832 is based almost entirely on new evidence marriage settlements property transfers wills record office documents letters journals and private papers John Chapple has recreated the background of one of the nineteenth century's greatest novelists The widely differing lives of her father brother and the aunt who raised her are illuminated at length from original documents Chapple has discovered a number of letters written by close relations that shed new light on her upbringing and he analyses three hitherto unknown travel journals by her Knutsford cousins which prove that she grew up in a literary milieu The careers of the more important figures in her early life have been re-traced the Turners of Newcastle the Robberds of Manchester and the Byerley sisters The relationship with Katharine Thomson nee Byerley herself a prolific novelist has been fleshed out to reveal how she provided a model of literary production during the younger writer's teens and early twenties **Elizabeth Gaskell** Elizabeth Cleghorn Gaskell, J. A. V. Chapple, John Geoffrey Sharps, 1980 John Chapple links the passages of Mrs Gaskell's letters with a commentary to form a biography largely in her own words The story is told chronologically including some newly discovered letters are also devoted to various themes These include her travels her involvement with charities and her life as an author who was also a wife and mother in a period when Victorian society and culture were undergoing major changes **Elizabeth Gaskell, 2nd Edition** J. A. V. Chapple, 2007 Taking his evidence from parish records marriage settlements property transfers wills record office documents letters journals and private papers Chapple recreates the background of one of the 19th century's greatest novelists

Elizabeth Gaskell John Chapple, 1997-06-15 This absorbing study of Elizabeth Gaskell's early life up to her marriage in 1832 is based almost entirely on new evidence Also using parish records marriage settlements property transfers wills record office documents letters journals and private papers John Chapple has recreated the background of one of the nineteenth century's greatest novelists The Letters of Mrs. Gaskell Elizabeth Cleghorn Gaskell, 1997 These letters covering such subjects as scarlet fever the Lancashire cotton famine and the American Civil War bring history alive They also throw light on Gaskell's own writings especially her biography of Charlotte Brontë *British Women Writers, 1700-1850* Barbara Joan Horwitz, 1997 A guide to British women authors their works and the writing about them *The Letters of Robert Browning and Elizabeth Barrett Barrett, 1845-1846* Robert Browning, Elizabeth Barrett Browning, 1906 *Letters and Recollections of Sir Walter Scott* Mary Ann Watts Hughes, William Hastings Hughes, 1904 **Elizabeth Gaskell's Use of Color in Her Industrial Novels and Short Stories** Katherine Ann Wildt, 1999 Elizabeth Gaskell's Use of Color in Her Industrial Novels and Short Stories presents Gaskell's incorporation of Ruskin's moral theory of color to set the tone in her tales as she illustrates the dreary monotonous existence of nineteenth century industrial workers Wildt demonstrates the use of various shades tints and hues of color to set moral tone express character feelings and to foreshadow events as Gaskell establishes

and sustains mood in her short stories and to a greater extent in her industrial novels She points out the use of color for foreshadowing events expressing character's feelings in defining character in *Mary Barton* North and South and Ruth Focusing on Gaskell's repeated use of the storm cloud motif Wildt notes its presence on physical and emotional levels to illustrate the bleakness of the trapped condition of working women in the mid nineteenth century and that it anticipates Ruskin's future use of *The Storm Cloud*

Women's Writing and Mission in the Nineteenth Century Angharad Eyre, 2022-11-30 Until now the missionary plot in Charlotte Brontë's *Jane Eyre* has been seen as marginal and anomalous Despite women missionaries being ubiquitous in the nineteenth century they appeared to be absent from nineteenth century literature As this book demonstrates though the female missionary character and narrative was in fact present in a range of writings from missionary newsletters and life writing to canonical Victorian literature New Woman fiction and women's college writing Nineteenth century women writers wove the tropes of the female missionary figure and plot into their domestic fiction and the female missionary themes of religious self sacrifice and heroism formed the subjectivity of these writers and their characters Offering an alternative narrative for the development of women writers and early feminism as well as a new reading of *Jane Eyre* this book adds to the debate about whether religious women in the nineteenth century could actually be radical and feminist

Clio's Daughters Lynette Felber, 2007 They discover new texts and methodologies exploring nineteenth century British women's historiography their writing of history often through unexpected sources not previously regarded as historical venues journalism travel writing architectural preservation and costume balls

BOOK
JACKET **Private Voices: The Diaries of Elizabeth Gaskell and Sophia Holland** J A V Chapple, 2019-06-01 These two diaries by the nineteenth century novelist Elizabeth Gaskell and her cousin Sophia Holland provide us with uniquely personal and revealing accounts of Victorian womanhood and motherhood This is the first critical edition of the Gaskell diary and the first ever publication of the Holland diary The Gaskells were among the first generation of parents to experience the benefits and burdens of an abundance of child care literature Both Elizabeth and Sophia reveal themselves here as anxious to be seen as conscientious and well informed mothers but as confused as contemporary parents by the conflicting advice to be found within the pages of the so called experts As a piece of social history these diaries document the challenges dilemmas and rewards of Victorian parenthood As a piece of literature there is no doubt that in cultivating the powers of observation to be found in her diary Elizabeth was laying the foundation for the wider social vision to be found in her novels Both works have been carefully edited and annotated from their original manuscripts by J A V Chapple and are accompanied by an

illuminating introduction by Anita Wilson **Dickens's Secular Gospel** Chris Louttit, 2009-05-07 The first full length study on the subject of Dickens and work this book argues that rather than engaging with work as an abstract quasi religious and entirely benign value Dickens's writings demonstrate the varied ways in which it shapes gender identity and personality

Hidden Rivalries in Victorian Fiction Jerome Meckier, 2014-10-17 Victorian fiction has been read and analyzed from a

wide range of perspectives in the past century But how did the novelists themselves read and respond to each other's creations when they first appeared Jerome Meckier answers that intriguing question in this ground breaking study of what he terms the Victorian realism wars Meckier argues that nineteenth century British fiction should be seen as a network of intersecting reactions and counteractions in which the novelists rethought and rewrote each other's novels as a way of enhancing their own credibility In an increasingly relative world thanks to the triumph of a scientific secularity the goal of the novelist was to establish his or her own credentials as a realist hence a reliable social critic by undercutting someone else's usually Charles Dickens's Trollope Mrs Gaskell and especially George Eliot attempted to make room for themselves in the 1850s and 1860s by pushing Dickens aside Wilkie Collins tried a different form of parodic revaluation he strove to outdo Dickens at the kind of novel Dickens thought he did best the kind his other rivals tried to cancel tone down or repair ostensibly for being too melodramatic but actually for expressing too negative a world view For his part Dickens determined to remain inimitable replied to all of his rivals by redoing them as spiritedly as they had reused his characters and situations to make their own statements and to discredit his Thus Meckier redefines Victorian realism as the bravura assertion by a major novelist or one soon to be that he or she was a better realist than Dickens By suggesting the ways Victorian novelist read and rewrote each other's work this innovative study alters present day perceptions of such double purpose novels as Felix Holt Bleak House Middlemarch North and South Hard Times The Woman in White and The Mystery of Edwin Drood

Law and the Humanities: Cultural Perspectives Chiara Battisti, Sidia Fiorato, 2019-12-02 This volume investigates interdisciplinary intersections between law and the humanities from the Renaissance to the present day It allows for fruitful encounters between different disciplines from literature to science from the visual arts to the post human from the postmodern novel's experimentation to most recent approaches towards the legal interpretation of literary texts This productive dialogue fosters original perspectives in the interpretation of and reflection upon identity justice power and human rights and values thus underlining the role of literature in the articulation of relevant cultural issues pertaining to specific periods
