Rodman,2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In Elvis after Elvis Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn t belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis s appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis s central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture **Rock 'N' Rhymes** Rich Rilleau,2016-08-18 THIS is my first book or attempt at a book It comes from my love of writing and the use of words and the different forums they are used in like the dialogue in a movie script and the impact it can have on the audience when the main character shares a secret that dramatically changes the direction of the movie or your favorite song where it feels like those lyrics were what you wanted to say and the singer is singing to you These are some of the ways words have spoken to me I have a great appreciation for music and the history of the bands and artists that play it I have also loved the little stories and nuggets that accompany the making of an album or

how a song was arrived at or what it was inspired by So this book is a collection of short stories about bands and their songs names of bands and other odds and ends that have popped into my head over the years I hope you enjoy reading it as much as I enjoyed writing it and always remember to keep your eyes on the road and your hands upon the wheel **Elvis** Greer Lawrence,2000-06 **Elvis Is King!** Jonah Winter,2019-01-08 Elvis Presley the King of Rock n Roll still beloved by millions of Americans comes to vibrant gyrating life in this extraordinary picture book biography from an award winning author and the winner of a New York Times Best Illustrated Book Award Here s the perfect book for anyone who wants to introduce rock n roll and its king to the child in their lives In single page chapters with titles like The First Cheeseburger Ever Eaten by Elvis and Shazam A Blond Boy Turns into a Black Haired Teenager readers can follow key moments in Presley s life from his birth on the wrong side of the railroad tracks in the Deep South to playing his first guitar in grade school to being so nervous during a performance as a teenager that he starts shaking and changes the world Jonah Winter and Red Nose Studio have created a tour de force that captures a boy s loneliness and longing along with the energy and excitement passion and raw talent that was Elvis Presley Readers will want to pore over this thoroughly engaging volume Kirkus Reviews starred review
