Emancipations Modern And Postmodern:

Emancipations, Modern and Postmodern Jan Nederveen Pieterse, 1992-11-02 The term emancipation is being increasingly used in recent years possibly reflecting suggests Nederveen Pieterse the limitations of class analysis in the face of collective actions which are not reducible to class and the limitations of postmodern discourse which impairs differentiation among types of collective action This book is also published as volume 23 issue 3 of *Development and Change* **Emancipation(s)** Ernesto Laclau, 2020-05-05 In *Emancipation s* Ernesto Laclau addresses a central question how have the changes of the last decade together with the transformation in contemporary thought altered the classical notion of emancipation as formulated since the Enlightenment Our visions of the future and our expectations of emancipation have been deeply affected by the changes of recent history the end of the Cold War the explosion of new ethnic and national identities the social fragmentation under late capitalism and the collapse of universal certainties in philosophy and social and historical thought Laclau here begins to explore precisely how our visions of emancipation have been recast under these new conditions Laclau examines the internal contradictions of the notion of emancipation as it emerged from the mainstream of modernity as well as the relation between universalism and particularism which is inherent in it He explores the making of political identities and the status of central notions in political theory such as representation and power focusing particularly on the work of Derrida and Rorty *Emancipation s* is a significant contribution to the reshaping of radical political thought Sociology in the Twenty-First Century Simon Susen, 2020-10-17 This book examines key trends debates and challenges in twenty first century sociology To this end it focuses on significant issues surrounding the nature of sociology What is sociology the history of sociology How has sociology evolved and the study of sociology How can or should we make sense of sociology These issues have been and will continue to be essential to the creation of conceptually informed methodologically rigorous and empirically substantiated research programmes in the discipline Over the past years however there have been numerous disputes and controversies concerning the future of sociology Particularly important in this respect are recent and ongoing discussions on the possibilities of developing new and arguably post classical forms of sociology The central assumption underlying most of these projects is the contention that a comprehensive analysis of the principal challenges faced by global society requires the construction of a sociology capable of accounting for the interconnectedness of social actors and social structures across time and space This book provides a cutting edge overview of crucial past present and possible future trends debates and challenges shaping the pursuit of sociological inquiry Simon Susen one of the most knowledgeable scholars in the contemporary social sciences examines the key challenges with which sociology is confronted today This book is a must read for professional sociologists as well as for those studying the subject Luc Boltanski cole des Hautes tudes en Sciences Sociales Paris France Simon Susen provides a balanced update on sociology s theoretical methodological and institutional resources as well as challenges in today s complicated local and global social worlds Fortunately he has

innovative and practical recommendations for ensuring the cutting edge relevance of sociological thinking This book is an excellent choice for undergraduate and postgraduate students as well as for the general reader Sandra Harding University of California Los Angeles USA A comprehensive and judicious account of the intellectual and material state of sociology based on omnivorous reading and incisive analysis The writing is beautifully clear and the book is a major contribution to the self understanding of the discipline William Outhwaite Newcastle University UK Accounting and Emancipation Dr Sonja Gallhofer, Sonja Gallhofer, Professor Jim Haslam, Jim Haslam, 2002-12-19 Accounting is a social practice it should be evaluated in terms of its contribution to a notion of social well being In order to do this this book elaborates a critique of contemporary accounting The authors encourage those with a close interest in accounting to make the search for a more emancipatory and enabling accounting a core area of their interest The book will stimulate debate and activity in the arenas of education research practice and policy making **Marxism Against Postmodernism in Educational Theory** Dave Hill, 2002-01-01 Written by renowned British and American educational theorists Marxism Against Postmodernism in Educational Theory a substantially revised edition of the original 1999 work examines the infusion of postmodernism and theories of postmodernity into educational theory policy and research **Marxism Against Postmodernism in Educational Theory** Mike Cole, Dave Hill, Peter McLaren, 2002-12-11 Postmodernism has become the orthodoxy in educational theory It heralds the end of grand theories like Marxism and liberalism scorning any notion of a united feminist challenge to patriarchy of united anti racist struggle and of united working class movements against capitalist exploitation and oppression For postmodernists the world is fragmented history is ended and all struggles are local and particularistic Written by internationally renowned British and American educational theorists Marxism Against Postmodernism in Educational Theory a substantially revised edition of the original 1999 work Postmodernism in Educational Theory critically examines the infusion of postmodernism and theories of postmodernity into educational theory policy and research The writers argue that postmodernism provides neither a viable educational politics nor the foundation for effective radical educational practice and offer an alternative politics of human resistance which puts the challenge to capitalism firmly on the agenda of educational theory politics and practice Laclau Simon Critchley, Oliver Marchart, 2012-12-06 Laclau A Critical Reader is the first full length critical appraisal of Laclau s work and includes contributions from several leading philosophers and theorists The first section examines Laclau s theory that the contest between universalism and particularism provides much of the philosophical background to political and social struggle taking up the important place accorded to amongst others Hegel and Lacan in Laclau s work The second section of the book considers what Laclau s radical democracy might look like and reflects on its ethical implications particularly in relation to Laclau s post Marxism and thinkers such as Jürgen Habermas The final section investigates the place of hegemony in Laclau s work the idea for which he is perhaps best known This stimulating collection also includes replies to his critics by Laclau and the important exchange between Laclau and Judith Butler on equality making it an excellent companion to Laclau

s work and essential reading for students of political and social theory Communicating Ethically William W. Neher, Paul Sandin, 2017-02-03 Communicating Ethically provides a broad introduction to the ethical nature of communication. Now in its second edition, the text has been revised to further address current issues such as evolving social media and digital platforms, growing cultural communication, and discussion of diversity and the ethics of public discourse. This book combines coverage of the major systems of ethical reasoning with applications including case studies in each chapter to investigate ethics within many fields in the communication discipline. Incorporating a simple framework for ethical reasoning allows the reader to develop their own understanding of the various criteria for making ethical judgments Communicating Ethically William Neher, Paul Sandin, 2015-10-08 Communication Ethics provides a broad introduction to the ethical nature of communication. The book combines coverage of the major systems of ethical reasoning with lots of applications including case studies in each chapter to investigate ethics within many fields in the discipline: rhetoric, interpersonal communication, organizational communication, political communication, and mass communication media. Postmodernism: A Bibliography, 1926-1994 Deborah L. Madsen, 2023-11-20 This is the first bibliography of Postmodernism to take account of work published in all subject areas and in all languages. Deborah Madsen has identified a new first occurrence of the term in 1926, preceding by more than twenty years the first occurrence documented by the Oxford English Dictionary. In a chronological listing, books, articles, notes, letters, and working papers on Postmodernism are described with full bibliographical details. Reviews of major books are documented, and full contents listings are given for special issues of journals devoted to Postmodernism. An appendix includes books on Postmodernism announced for publication in 1995. This bibliography brings together in one place all secondary material published on Postmodernism. All disciplines are included, from anthropology to zoology, architecture, cultural studies, dance, drama, feminism, fiction, geography, history, legal studies, literary theory, mathematics, medicine, music, pedagogical theory, philosophy, photography, and film, poetry, politics, religion, sociology, the visual and plastic arts, and others. The bibliography also documents items in a range of languages other than English: Chinese, French, German, Italian, Japanese, Russian, Slovenian, Spanish, and the Scandinavian languages. Access to the information contained in the bibliography is made easy with a comprehensive index providing guidance according to author, subject, language, and key words. *Postmodernism: A Bibliography, 1926-1994* is an essential reference text for anyone working in the area of contemporary culture studies **Geopolitics and the Post-Colonial** David Slater, 2008-04-15 With a critical focus on US-Latin American encounters, the book analyses geopolitical issues from a post-colonial perspective. A novel approach to understanding US-Third World relations, it critically considers the genesis of US power, interweaves ideas and events, interventions and representations. Highlights the contribution of Third World intellectuals **Development Theory** Jan Nederveen Pieterse, 2010 Written by one of the leading authorities in the field, the Second Edition of this successful book

Situates students in the expanding field of development theory Provides an unrivalled guide to the strengths and weaknesses of competing theoretical approaches Explains key concepts Examines the shifts in theory Offers an agenda for the future In this book the author brings a huge range of experience and knowledge about the relationship between the economically advanced and the emerging developing nations

Remaking the Nation Sarah A. Radcliffe, Sallie Westwood, 1996 Remaking the Nation presents new ways of thinking about the nation nationalism and national identities Drawing links between popular culture and indigenous movements issues of race and gender and ideologies of national identity the authors draw on their work in Latin America to illustrate their retheorisation of the politics of nationalism This engaging exploration of contemporary politics in a postmodern post new world order uncovers a map of future political organisation a world of pluri nations and ethnicised identities in the ever changing struggle for democracy

New Farmers' Movements in India Tom Brass, 2014-03-05 The essays in this collection focus on the reasons for and background to the emergence during the 1980s of the new farmers movements in India In addition to a more general consideration of the economic political and theoretical dimensions of this development there are case studies which cover the farmer s movements in Maharashtra Uttar Pradesh Punjab and Karnataka

Postmodernism and Education Richard Edwards, Robin Usher, 2002-11 This book shows the impact of postmodernism upon the theory and practice of education and how it challenges the existing concepts structures and hierarchies

Reactualising Emancipation in Contemporary Ethical Discourse Silvia Pierosara, 2024-05-22 Nowadays emancipation evokes scenarios of an acquired freedom and is closely linked to autonomy Emancipation as liberation and freedom imposes a reflection on the conditions in which we live as well as a question concerning what people can free themselves from and what is not possible to liberate oneself from This collection investigates the possibility of relating to emancipation through the eyes of the ethicist What does emancipation mean in the contemporary moral and political landscape How is emancipation possible and from and towards what can humankind aspire to emancipate Which are the unattended promises of emancipation Where when and to whom can one speak of emancipation Assuming a clear ethical and moral standpoint the contributions collected here reply to such questions firstly by re semantising this word and then by re placing it within different philosophical traditions

The Spirit of Luc Boltanski Simon Susen, Bryan S. Turner, 2014-11-01 What is the relevance of Luc Boltanski s pragmatic sociology of critique to central issues in contemporary social and political analysis In seeking to respond to this question this book contains critical commentaries from prominent social theorists attempting to map out the influence and broad scope of Boltanski s oeuvre

Implications of Globalisation Anne Boran, Peter Cox, 2007 These papers raise searching questions about the nature and implications of globalisation exploring some key features in terms of their impacts on nations and people Three broad themes are highlighted key players and processes consequences and impacts and response and resistance

Reconstructing Nature Peter Dickens, 2002-11-01 One of the main features of the contemporary environmental crisis is that no one has a clear idea of what

is going on The author uses an extension of Marx's theory of alienation to explain why people find it so difficult to relate their different knowledges of the natural and social world He argues that nevertheless it is possible to relate these to the abstractions of ecological discourse Emancipation can come only through embracing science and rationality rather than rejecting them and in the process humanity as well as the non human world will benefit Premodern Rulers and Postmodern Viewers Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today
