Jerusalem on the Amstel Lipika Pelham, 2019-04-01 Seventeenth century Amsterdam was a cosmopolitan carnival of nations French Huguenots North African merchants Spanish Moriscos and Iberian New Christians formerly Jewish families forcibly converted to Catholicism now fleeing the Inquisition and rediscovering their ancestral faith

This is the extraordinary tale of Amsterdam's prosperous Sephardi community during the Dutch Golden Age Trading writing publishing staging plays and being painted by Rembrandt this Na o Nation of formerly wandering Jews not only settled but thrived enjoying high status and unparalleled freedom At a time when Dutch Catholics were repressed and Jews elsewhere were confined to the ghetto this community dared to nurture the Hope of Israel sowing the seeds of Zionism Lipika Pelham charts the captivating history of Amsterdam's Jews from their integral role in the Dutch economic miracle and the Enlightenment to a somber coda in 1942 when the Nazis herded them into the Jewish Theater for deportation to the camps But this was not the death of the resilient Na o Pelham also seeks out its descendants in present day Amsterdam offering poignant reflection on the meaning of nationhood the Holocaust and what remains of Jerusalem on the Amstel *My Name Is Ron, and I'm a Recovering Legislator* Ron Gomez, 2006-11 Ron Gomez is a journalist as well as a veteran of three terms in the Louisiana House of Representative Here he reports on the humor and theatrics successes and failures of Louisiana's system of government **The Westminster Magazine, Or, The Pantheon of Taste**, 1776 *Globalization and Becoming-nation* Elmo Gonzaga, 2009 An intervention into contemporary debates about nationalism and postcoloniality this work attempts to locate the role of literary studies and the humanities in the age of globalization **Children and Childhood in Western Society Since 1500** Hugh Cunningham, 2014-07-10 This book investigates the relationship between ideas about childhood and the actual experience of being a child and assesses how it has changed over the span of five hundred years Hugh Cunningham tells an engaging story of the development of ideas about childhood from the Renaissance to the present taking in Locke Rousseau Wordsworth and Freud revealing considerable differences in the way western societies have understood and valued childhood over time His survey of parent child relationships uncovers evidence of parental love care and in the frequent cases of child death grief throughout the period concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries For undergraduate courses in History of the Family European Social History History of Children and Gender History **The Purpose of the Past** Gordon S. Wood, 2008-03-13 An erudite scholar and an elegant writer Gordon S Wood has won both numerous awards and a broad readership since the 1969 publication of his widely acclaimed *The Creation of the American Republic* With *The Purpose of the Past* Wood has essentially created a history of American history assessing the current state of history vis vis the work of some of its most important scholars doling out praise and scorn with equal measure In this wise passionate defense of history's ongoing necessity Wood argues that we cannot make intelligent decisions about the future without understanding our past Wood offers a master's insight into what history at its best can be and reflects on its evolving and essential role in our culture Shakespeare's Ocean Daniel Brayton, 2012 Study of the sea both in terms of human interaction with it and its literary representation has been largely ignored by ecocritics In Shakespeare's Ocean Dan Brayton foregrounds the maritime dimension of a writer whose plays and poems have had an enormous impact on literary notions of nature and in so doing

plots a new course for ecocritical scholarship Shakespeare lived during a time of great expansion of geographical knowledge The world in which he imagined his plays was newly understood to be a sphere covered with water In vital readings of works ranging from *The Comedy of Errors* to the valedictory *The Tempest* Brayton demonstrates Shakespeare's remarkable conceptual mastery of the early modern maritime world and reveals a powerful benthic imagination at work *Refiguring the Real* Christopher Braider, 2015-03-08 In a major analysis of pictorial forms from the late Middle Ages to the Enlightenment Christopher Braider argues that the painted image provides a metaphor and model for all other modes of expression in Western culture particularly literature philosophy religion and science Because critics have conventionally explained visual images in terms of verbal texts Scripture heroic poetry and myth they have undervalued the impact of the pictorial naturalism practiced by painters from the fifteenth century onward and the fundamentally new conception of reality it conveys By reinterpreting modern Western experience in light of northern descriptive art the author enriches our understanding of how both painted and written cultural texts shape our perceptions of the world at large Throughout Braider draws on works by such painters as van der Weyden Bruegel the Elder Steen Vermeer Rembrandt and Poussin and addresses such topics as the Incarnation of the Word in Christ the elegiac foundations of Enlightenment aesthetics and the rivalry between northern and southern art His goal is not only to reexamine important aesthetic issues but also to offer a new perspective on the general intellectual and cultural history of the modern West Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 What's Your Story? Craig Wortmann, 2006-09-21 What's Your Story Using stories to ignite performance and be more successful is a leaders book This book is written for people who want to make a difference people who want to build create learn share and inspire people who want to give themselves and others the powerful gift of story What's Your Story helps leaders enhance their performance by looking at their everyday communications differently By learning how to use the right stories at the right time success and failure stories Craig will show you how to create strong connections with people and with the organization's strategy to enhance your performance **Choosing Normative Concepts** Matti Eklund, 2017-08-04 Theorists working on metaethics and the nature of normativity typically study goodness rightness what ought to be done and so on In their investigations they employ and consider our actual normative concepts But the actual concepts of goodness rightness and what ought to be done are only some of the possible normative concepts there are There are other possible concepts ascribing different properties Matti Eklund explores the consequences of this thought for example for the debate over normative realism and for the debate over what it is for concepts and properties to be normative

Conceptual engineering the project of considering how our concepts can be replaced by better ones has become a central topic in philosophy Eklund applies this methodology to central normative concepts and discusses the special complications that arise in this case For example since talk of improvement is itself normative how should we in the context understand talk of a concept being better
