Embers Of Death:

Embers of Death Ryan Kitteringham, 2013-02-27 Five men ran in two upstairs three downstairs the three that were downstairs followed the sound of my little brother's screaming and they found us in front of the door they then picked us up rammed down the door and the three of them walked out holding me and him safely in their hands But the other two firemen never came out of the house there was a yell the building collapsed and the other firemen just had to assume that those two had died in the burning house *Embers of Death* Stella Shepherd, 1997-01-01 Baffled by a series of unexplained fires in empty properties D I Montgomery and Sergeant Bird of Nottingham begin to see both a motive and pattern when a pharmacy is torched and a charred body is found in the wreckage **A Fire in the Flesh: A Flesh and Fire Novel** Jennifer L. Armentrout, 2023-10-31 From 1 New York Times bestselling author Jennifer L. Armentrout comes book three in her beloved Flesh and Fire series The only thing that can save the realms now is the one thing more powerful than the Fates After a startling betrayal ends with both Sera and the dangerously seductive ruler of the Shadowlands she has fallen madly in love with being held captive by the false King of the Gods there is only one thing that can free Nyktos and prevent the forces of the Shadowlands from invading Dalos and igniting a War of Primals Convincing Kolis won't be easy though not even with a lifetime of training While his most favored Revenant is insistent that she is nothing more than a lie Kolis's erratic nature and twisted sense of honor leave her shaken to the core and nothing could've prepared her for the cruelty of his Court or the shocking truths revealed The revelations not only upend what she has understood about her duty and the very creation of the realms but also draw into question exactly what the true threat is However surviving Kolis is only one part of the battle The Ascension is upon her and Sera is out of time But Nyktos will do anything to keep Sera alive and give her the life she deserves He'll even risk the utter destruction of the realms and that's exactly what will happen if he doesn't Ascend as the Primal of Life Yet despite his desperate determination their destinies may be out of their hands But there is that foreseen unexpected thread the unpredictable unknown and unwritten The only thing more powerful than the Fates *Born of Blood and Ash: A Flesh and Fire Novel* Jennifer L. Armentrout, 2024-08-13 From 1 New York Times bestselling author Jennifer L. Armentrout comes the thrilling conclusion to her beloved Flesh and Fire series The line between love and obsession has never been wider While Sera is finally free of Kolis and back with those she loves not everything is calm Memories of all she's endured still haunt her but Sera finally has hope for a future with the other half of her heart and soul Nyktos desires loves and accepts every part of her even the monstrous bits she still battles More than ever Sera and Ash have everything under the realms to fight for and Nyktos has no doubt Sera is fit to be the Queen of the Gods But she must find that faith within herself if they hope to convince the other Courts to support them against Kolis and make Iliseum and the mortal realm better safer places for all But as Sera begins to piece together the importance of her bloodline and the true meaning behind the foreboding prophecy it becomes clear that everything that has happened and is yet to come is much bigger than Kolis and

his dark obsessions They cannot help but wonder exactly how much influence the Fates have had and what their ultimate goal is What Sera does know for sure is that they can trust very few including her A battle between the gods is brewing and heartbreaking losses are imminent with the true Primal of Death strengthening With a family of the heart willing to battle by their side can Sera and Nyktos stop Kolis before he destroys the realms or will it all disappear in a fiery inferno of blood and ash And the line between justice and vengeance has never been so thin
