**Restless Spirit** Bruce G. Epperly, 2022-07-06 Are you afraid of the Holy Spirit being active in your church Are you willing to admit it The Holy Spirit has been a kind of third rate member of the trinity in the theological writings of mainline and progressive Christians It seems that the Spirit brings disorder to communities spiritual arrogance to those who claim to have the Spirit and frequently doctrinal confusion We'd rather not have something in our churches that goes where it wants and doesn't give account for where it's coming from and where it's going But the biblical picture of the Spirit is one of action change and renewal Perhaps there is a place for this Spirit in a movement claiming the title of progressive Bruce Epperly has experienced church from many perspectives He has sat in conservative churches where too much Spirit might be seen as inciting division and heresy He's been in progressive churches where the Spirit is often considered peripheral He's a process theologian and the Spirit as he points out in this book is often of tertiary concern But he has also observed Spirit in action and he thinks we do well to consider this third element of the trinity What does it mean for the Spirit to be active Is it safe Can it be controlled Can you keep it bound by your doctrinal statements It should be active and you cannot control it Epperly argues in this book You shouldn't control it Nor does it coercively control you But it does drive us to new life to new adventures and perhaps to transformed understandings of the universe in which we live Are you ready to join in this joyous adventure

**The Artistic Vision** Alex Sosler, Gary Ball, 2024-07-25 When you look at the world what do you see As an artist your creativity stems from your vision The problem in the modern world is how often one's imagination is fragmented and reduced between worship and work the body and soul the material and the spiritual Written to practicing artists and those who pastor them The Artistic Vision encourages artists who long for a greater sense of purpose and a greater sense of wholeness proposing that seeing the material world as a shadow of spiritual realities will lead them toward an expression that joins faith and practice Drawing from the Oxford Movement and artistic examples like Christina Rossetti and Flannery O'Connor Ball and Sosler present a sacramental way of seeing the world the invisible through the visible the spiritual through the material the divine through creation Interspersed with practical vignettes from artists and pastoral reflection The Artistic Vision helps artists regain an enchanted mysterious and reverent vision of life Artists neither have to check their faith at the studio door nor produce kitschy or easy art By creating with a sacramental vision they are seeing the world charged with the grandeur of God and inviting viewers into that participation

*Beauty-in-Act* Stephen M. Garrett,2013-07-24 Jurgen Moltmann and others contend that Christian theology and the church face a dual crisis one of relevance and the other of identity Despite making this pronouncement nearly forty years ago the church in the West continues to struggle with this crisis Several proposals have been espoused from the way of wisdom to the way of ecclesial praxis Yet little attention is given in Protestant theological discourse to the role God s beauty plays in bringing theology and ethics together By neglecting God s beauty for theological discourse we risk diminishing Christian worship witness and wisdom God s Beauty in Act addresses these issues in part by arguing that the redemptive creative suffering and glorious resurrection of Christ are the nexus of God s being beauty and Christian living God s beauty understood as the fittingness of the incarnate Son s actions in the Spirit to the Father s will radiates God s glory and draws perceivers into the dramatic movements of God s triune life These movements serve as the patterns that shape the imagination enabling participants to perform their parts creatively and fittingly in God s drama of redemption In doing so

human beings flourish as they jettison false identities and realities of their own making that are incommensurate with God's purpose found in Christ by the Spirit
