*Embracing Judaism* Debra Gonsher-Vinik, Debra Ann Gonsher, 1999 To find more information on Rowman Littlefield titles please visit us at [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)      **Embracing Life & Facing Death** Daniel S. Brenner, 2002      **The Colour of Love** Anne Hemingway, 2004 The Colour of Love is a wonderful and delightful story It is more than just the coming together of our two young lovers Yosef and Lisa but the coming together of an entire Multicultural community Yosef and Lisa are the two catalysts that Bridge the Gap and show their families friends and neighbors the true meaning of real love From its graphic beginning to its climatic ending The Colour of Love will cause the reader to look carefully into the deepness of their own soul to perhaps see if there are any underlying prejudices that are still unresolved Prayerfully this story will help the reader to resolve these issues and see healing as the end result The Colour of Love with its mixture of Afro American and Jewish culture combined with its wonderful blend of humor and sensuality intrigue and mystery And the supernatural All interwoven to weave a tapestry of Love Hope and Faith Let its pages take you on a journey of all of the above The Colour of Love will cause your faith to soar from one level of faith to the next See the workings of God as He works miracle after miracle see Yosef and Lisa bring an entire community together See and feel the heat the passion of their love The Colour of Love is more than just a story its an EXPERIENCE So get ready to fall in love in a new way as you savor the pages of The Colour of Love THE AUTHOR from the INTRODUCTION The Colour of Love is a very powerful and necessary book dealing with the healing of Racism Throughout the story I recommend that everyone should read every single word of this book It will challenge your beliefs and change your life It has already blessed me both spiritually and mentally in ways that I cannot find words for I felt a most tremendous joy release as I finished reading every page of it I know from personal experience the awesome relationship that Anne has with God and it has brought me closer to Him as well This book helped me and it will surely help you too All other readers already have complimented Anne on how her Novel has helped them to re examine themselves and has brought healing to many Please make note of that one point that says True love sees no colour No colour at all God sees me the same as he sees you or any other person Notice her opening Scripture from I Samuel 16 7 That should be more than enough to cause us to realize that Love is not of the skin but of the heart He looks at the heart of a person and not their outer appearance One Chapter that touched my heart so deeply is when Lisa who is Anne mind you prayed for Yosef s father Rabbi Epstein in the hospital And the results were miraculous I just want to say in closing that I commend Anne on her labor of Love for God and allowing Him to use her to write such a very much needed story Anne may God continue to bless you in all that you do for Him and His Kingdome God bless you richly dear Your sister in Christ Evang Jarry Turner

**The Family Book of Midrash** Barbara Diamond Goldin, 2006-09-27 This collection gives the reader a taste of the thousands of stories one can find in the treasure house of rabbinic literature Some of these stories are humorous some mysteriuos some tense with drama or adventure some filled with the joy of a miracle and the beauty of faith All of these

stories come from either the Talmud or the Midrash This collection shows that these rabbinical stories are not old and outdated but alive and timeless for future generations to continue to enjoy

**Boundaries of Jewish Identity** Susan A Glenn, Naomi B. Sokoloff, 2011-07-01 The subject of Jewish identity is one of the most vexed and contested issues of modern religious and ethnic group history This interdisciplinary collection draws on work in law anthropology history sociology literature and popular culture to consider contemporary and historical responses to the question Who and what is Jewish These essays are focused especially on the issues of who creates the definitions and how and in what social and political contexts The ten leading authorities writing here also look at the forces ranging from new genetic and reproductive technologies to increasingly multicultural societies that push against established boundaries The authors examine how Jews have imagined themselves and how definitions of Jewishness have been established enforced challenged and transformed Does being a Jew require religious belief practice and formal institutional affiliation Is there a biological or physical aspect of Jewish identity What is the status of the convert to another religion How do definitions play out in different geographic and historical settings What makes *Boundaries of Jewish Identity* distinctive is its attention to the various Jewish epistemologies or ways of knowing who counts as a Jew These essays reveal that possible answers reflect the different social intellectual and political locations of those who are asking This book speaks to readers concerned with Jewish life and culture and to audiences interested in religious cultural and ethnic studies It provides an excellent opportunity to examine how Jews fit into an increasingly diverse America and an increasingly complicated global society
