Emerald Illusion Jennifer Rodewald, 2018-10-25 A swirling wind a wall of leaves a blinding darkness Abrielle finds herself in the middle of a realm no one believed existed Except this version is run down void of color and hope When she meets a boy named Levi she discovers this kingdom is more perilous than the children s book ever told There is nothing safe about Oz The Emerald Illusion Ronald Bass, 1984 *Techniques of Illusion* Katharina Rein, 2023-05-03 This book explores stage conjuring during its golden age from about 1860 to 1910 This study provides close readings highlighting four paradigmatic illusions of the time that stand in for different kinds of illusions typical of stage magic in the golden age and analyses them within their cultural and media historical context Pepper s Ghost the archetypical mirror illusion The Vanishing Lady staging a teleportation in a time of a dizzying acceleration of transport the levitation simulating weightlessness with the help of an extended steel machinery and The Second Sight a mind reading illusion using up to date communication technologies These close readings are completed by writings focusing on visual media and expanding the scope backwards and forwards in time roughly to 1800 and to 2000 This exploration will be of great interest to students and scholars in theatre and performance studies *The Great Illusion: A Story of Self-Revolution* Phoenix Wise, 2020-03-06 The Great Illusion A Story of Self Revolution Part 1 The Revelation is the first book in a three part series This book is revolutionary and will change the way you think and see things Throughout human history people have been bombarded with lies and misinformation Many people blindly believe their parents society religion politicians and teachers Whether it s for power greed money control or enslavement lying to people is one of the most evil things someone can do Unfortunately too many people are willing participants or are just ignorant It s dangerous and unhealthy for the individual or the society to go along with these manipulations and fabrications One of the best things that you can do is be skeptical and question what you have been told and shown so you can discover the truth This first book lets you follow the story of Emerald and her quest to break out of being controlled For this book she tackles current and real societal issues related to competition freedom religion politics capitalism and many more You may not agree with everything that Emerald believes but at least you are starting to question what you believe while evolving in your life Please keep expanding your awareness of yourself and the world around you I hope you enjoy this philosophical and empowering journey into discovering the truth and the reality that we all need to face which is yourself **Enser's Filmed Books and Plays** Ellen Baskin, 2018-04-27 This title was first published in 2003 The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001 There are 8000 main entries covering 70 years of film history including some foreign language material Moneywood William Stadiem, 2025-06-25 As wild and sexy and over the top as the decade it brings to life author William Stadiem tells the inside story of Hollywood producers in the 80s From hits like Beverly Hills Cop Top Gun and Batman to flops like Heaven s Gate Howard the Duck and Leonard Part 6 Hollywood

was never more excessive than it was in the 1980s In this the Moneywood era the purse strings were not controlled by reasonably consenting adults but by pop culture cowboys who couldn't balance their own checkbooks What they could do was sweet talk the talent seduce the starlets snowball the Japanese and slither out of Dodge when the low grosses trickled in Their out of control lifestyles and know nothing raging narcissistic personalities make the original brutal studio heads like Sam Goldwyn and Jack Warner seem like Oxford dons Yet for all their flops these Scoundrels of Spago turned Hollywood into a Big Business that was catnip to Wall Street They were The Producers and they were way beyond anything Mel Brooks could dream up The Moneywood cast of characters includes Simpson and Bruckheimer Guber and Peters Eisner Katzenberg Ovitz An unusual fresh take on the usual subjects Ray Stark the wizard of Holmby Hills the most powerful producer of the 80s Mario Kassar and Andy Vajna the Rambo boys who went from making wigs to making blockbusters Menahem Golan Yoram Globus the Israeli schlockmeisters who proved that every star had a price David Begelman the embezzler gambler and sex addict who was rewarded for his sins by getting to run both Columbia and MGM Roland Betts the aristocratic Silver Screen Partners founder and former Yale frat mate of George W Bush who was a master at playing the Reagan White House card Giancarlo Parretti the Italian cannery worker who bought MGM with a little help from his Sicilian friends David Puttnam The high toned English advertising whiz who was supposed to raise the Hollywood bar but ended up barred from Hollywood Moneywood is the ultimate expose of the real hit men of Hollywood's go go decade **Billboard**, 1986-02-01 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Wizard of Oz, The Untold Story Spencer Ashcroft, 2024-11-24 The story of the Wizard of Oz has long captured the imaginations of readers and audiences across the world From the pages of L Frank Baum's beloved 1900 novel The Wonderful Wizard of Oz to its iconic 1939 film adaptation the Wizard has become one of the most recognizable and enduring characters in American popular culture However despite his prominence the character's origins his rise to power and the evolution of his narrative are often shrouded in mystery and misunderstanding This biography seeks to shed light on the many facets of the Wizard's life exploring not just the magic and mystery that surround him but also the human elements that make his story so compelling At the heart of the Wizard's tale is a man from humble beginnings a figure whose path to greatness is marked by deception ambition and an undeniable desire for recognition As an illusionist who managed to convince an entire world of his godlike powers the Wizard of Oz embodies the power of perception and the ways in which the world can be shaped by what people choose to believe Yet the Wizard is far from a straightforward figure his flaws his mistakes and his eventual redemption offer valuable lessons on the consequences of vanity and the importance of self awareness This biography not only explores the Wizard's life from his humble origins to his rise as the ruler of the Emerald City but also delves deeply into the rich and complex relationships he

forms with the other characters of Oz including the courageous Dorothy the tormented Tin Man the brainy Scarecrow and the fearful Lion These relationships form the core of the Wizard's transformation throughout the story as he moves from an enigmatic figure of power to a vulnerable human man in search of meaning and truth In telling the story of the Wizard of Oz this biography seeks to go beyond the character's role in the fairy tale and reveal the profound often painful truths behind the mask of the Great and Powerful Wizard The Wizard's journey is more than just a fantastical adventure it is a journey of self discovery a path fraught with challenges missteps and eventual revelation Through this examination readers will gain a new perspective on the Wizard's significance not just in Oz but in the broader context of American folklore and storytelling traditions As we embark on this exploration we will witness the Wizard's transformation from a simple man with an oversized ego to a humble figure who understands that true power lies not in illusion or control but in understanding one's true self and the world around them The Wizard's story is a timeless one offering valuable insights into the human condition that resonate far beyond the world of Oz Through his struggles triumphs and ultimate redemption we are reminded that while illusion may deceive the eyes it is truth that ultimately liberates the soul

Standards of Value Michael Germana, 2009-10 In *Standards of Value* Michael Germana reveals how tectonic shifts in U S monetary policy from the Coinage Act of 1834 to the abolition of the domestic gold standard in 1933-34 correspond to strategic changes by American writers who renegotiated the value of racial difference Populating the pages of this bold and innovative study are authors as varied as Harriet Beecher Stowe George Washington Cable Charles Chesnutt James Weldon Johnson Nella Larsen Jessie Redmon Fauset and Ralph Ellison all of whom drew analogies between the form Americans thought the nation's money should take and the form they thought race relations and the nation should take A cultural history of race organized around and enmeshed within the theories of literary and monetary value *Standards of Value* also recovers a rhetorical tradition in American culture whose echoes can be found in the visual and lyrical grammars of hip hop the paintings of John W Jones and Michael Ray Charles the cinematography of Spike Lee and many other contemporary forms and texts This reconsideration of American literature and cultural history has implications for how we value literary texts and how we read shifting standards of value In vivid prose Germana explains why dollars and cents appear where black and white bodies meet in American novels how U S monetary policy gave these symbols their cultural currency and why it matters for scholars of literary and cultural studies
