Emergence Of Social Security In Canada

Martin Brook Taylor, Doug Owram

Emergence Of Social Security In Canada:

The Emergence of Social Security in Canada Dennis T. Guest, 1997-01-01 This book analyzes the major influences shaping the Canadian welfare state A central trend in Canadian social security over most of the twentieth century has been a shift from a residual to an institutional concept The residual approach which dominated until the Second World War posited that the causes of poverty and joblessness were to be found within individuals and were best remedied by personal initiative and reliance on the private market However the dramatic changes brought about by the Great Depression and the Second World War resulted in the rise of an institutional approach to social security Poverty and joblessness began to be viewed as the results of systemic failure and the public began to demand that governments take action to establish front rank institutions guaranteeing a level of protection against the common risks to livelihood Thus the foundations of the Canadian welfare state were established The Emergence of Social Security in Canada is both an important historical resource and an engrossing tale in its own right and it will be of great interest to anyone concerned about Canadian social policy *The Emergence of Social Security in Canada* Dennis Guest, 1997 This third edition of Dennis Guest's book provides the most complete and up to date history of social welfare in this country Yet it also offers insights into the nuts and bolts of policy creation and explodes recent myths that underlie the current residual approach to social policy such as death by deficit and the inevitable demise of the Canada Pension Plan The Emergence of Social Security in Canada is both an important historical resource and an engrossing tale in its own right and it will be of great interest to anyone concerned about Canadian social policy Canadian History: Confederation to the present Martin Brook Taylor, Doug O'ram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover Child Poverty and the Canadian Welfare State Shereen Ismael, 2006-11-15 In 2005 1.2 million children in Canada were living below the poverty level This represents a 20 percent increase since 1989 the year that the federal government unanimously passed a resolution to eliminate child poverty by 2000 To understand the state of children's welfare Child Poverty and the Canadian Welfare State reviews Canadian social policy reform and discovers that the welfare of poor children is a casualty of the war on the welfare state launched by opposing political ideologies This study surveys the shift from entitlement to charity from the perspective of social policy reform **Capitalism and Colonialism: The Making of Modern Canada 1890-1960** Bryan D. Palmer, 2025-09-02 This second volume of Bryan Palmer's history of Canada covers 1890 to 1960 Weaving together themes that include business labour politics and social history this account brings the experiences of Indigenous peoples into the centre of the narrative Canada experienced extraordinary growth during these decades notably after the Second World War when many Canadians quickly became far better off Yet vast inequalities persisted Indigenous peoples experienced ongoing and often worsening deprivation and ordinary people saw little or no real improvement in their lives These realities

set the stage for the interplay of reform resistance and reaction that followed after 1960 Palmer examines the continuing role of capitalism and colonialism in structuring Canada in the period between 1890 and 1960 from capital s conflicts and fragile ententes with labour to the struggles of Indigenous Peoples and francophone Canada and the changing role of Canadian capital internationally Relying on the work of scholars who have produced a vast academic literature on a wide range of topics in Canadian history Bryan Palmer offers a new history of Canada which reflects the knowledge and values of 21st century Canadians

The Emergence of Social Security in Canada Dennis Guest,1985 **Encyclopedia of Canadian Social Work** Francis J. Turner,2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide

Canadian Family Policies Maureen Baker,1995-01-01 With poverty unemployment and one parent families on the rise in most Western democracies government assistance presents an increasingly urgent and complex problem This is the first study to explore Canada s family policies in an international context Maureen Baker looks at the successes and failures of social programs in other countries in search of solutions that might work in Canada Baker has chosen seven industrialized countries for her comparative study Australia France Germany The Netherlands Sweden the United Kingdom and the United States These countries experience social and economic strains similar to those felt in Canada and though they share certain policy solutions major differences in policy remain Baker considers which of the policies in these countries are most effective in reducing poverty enhancing family life and improving the status of women then applies her findings to the Canadian situation Bringing together research and statistics from the fields of demography political science economics sociology women s studies and social policy this rich multidisciplinary study provides a unique resource for anyone interested in Canadian family policy

Welfare State and Canadian Federalism Keith Banting,1987-09-01 The first edition of *The Welfare State and Canadian Federalism* focused on the impact of federalism on social policy during a period of economic growth and expanding social expenditures The revised edition extends the analysis by asking how the federal syatem has shaped the social policy response to neo conservatism recession and restraint It analyses policy trends in detail examines the implications of constitutional changes including the Charter and highlights the continuing role of federalism

Canadian Population Trends and Public Policy Through the 1980s Leroy O. Stone,Claude Marceau,Institute for Research on Public Policy,1977 [Encyclopedia of Social Welfare History in North America](#) John M. Herrick,Paul H. Stuart,2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

[The Development of Welfare States in Europe and America](#) Peter Flora,Arnold Joseph Heidenheimer,1981-01-01 This volume seeks to contribute to an interdisciplinary comparative and historical study of

Western welfare states It attempts to link their historical dynamics and contemporary problems in an international perspective Building on collaboration between European and American based research groups the editors have coordinated contributions by economists political scientists sociologists and historians The developments they analyze cover a time span from the initiation of modern national social policies at the end of the nineteenth century to the present The experiences of all the presently existing Western European systems except Spain and Portugal are systematically encompassed with comparisons developed selectively with the experiences of the United States and Canada The development of the social security systems of public expenditures and taxation of public education and educational opportunities and of income inequality are described compared and analyzed for varying groupings of the Western European and North American nations This volume addresses itself mainly to two audiences The first includes all students of policy problems of the welfare states who seek to gain a comparative perspective and historical understanding A second group may be more interested in the theory and empirical analysis of long term societal developments In this context the growth of the welfare states ranges as a major departure along with the development of national states and capitalist economies The welfare state is interpreted as a general phenomenon of modernization as a product of the increasing differentiation and the growing size of societies on the one hand and of processes of social and political mobilization on the other It is an important element of the structural convergence of modern societies by its mere weight in all countries and at the same time a source of divergence by the variations within its institutional structure

Historical Atlas of Canada: The land transformed, 1800-1891 Geoffrey J. Matthews, Don Measner, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century

Development of Welfare States in Europe and America Peter Flora, 2017-07-28 This volume seeks to contribute to an interdisciplinary comparative and historical study of Western welfare states It attempts to link their historical dynamics and contemporary problems in an international perspective Building on collaboration between European and American based research groups the editors have coordinated contributions by economists political scientists sociologists and historians The developments they analyze cover a time span from the initiation of modern national social policies at the end of the nineteenth century to the present The experiences of all the presently existing Western European systems except Spain and Portugal are systematically encompassed with comparisons developed selectively with the experiences of the United States and Canada The development of the social security systems of public expenditures and taxation of public education and educational opportunities and of income inequality are described compared and analyzed for varying groupings of the Western European and North American nations This volume addresses itself mainly to two audiences The first includes all students of policy problems of the welfare states who seek to gain a comparative perspective and historical understanding A second group may be more interested in the theory and empirical analysis of long term societal developments In this context the growth of the welfare states ranges as a major departure along with the development of

national states and capitalist economies The welfare state is interpreted as a general phenomenon of modernization as a product of the increasing differentiation and the growing size of societies on the one hand and of processes of social and political mobilization on the other It is an important element of the structural convergence of modern societies by its mere weight in all countries and at the same time a source of divergence by the variations within its institutional structure

A Reader's Guide to Canadian History: Confederation to the present Delphin Andrew Mui, J. L. Granatstein, Paul Douglas Stevens, 1982

Historical Atlas of Canada: Addressing the twentieth century, 1891-1961 Geoffrey J. Matthews, 1987-01-01

Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century

Food Banks and the Welfare Crisis Graham Riches, Canadian Council on Social Development, 1986 This document discusses the rise of the food banks the collapse of the social safety net the view that voluntarism is the way ahead and options for social security in Canada beyond the limits of today's public safety net Research was conducted by interviews with directors of the larger food banks representatives of participating churches and non government organizations social welfare academics government officials members of labour organizations and political parties members of anti poverty organizations A literature search of both U S and Canadian sources public meetings conferences and national radio and television programmes was carried out An extensive bibliography is included

Canadian History: Beginnings to Confederation Martin Brook Taylor, Doug Owsen, 1994 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship

Cover **Poverty Reform in Canada, 1958-1978** Rodney S. Haddow, 1993 Rodney Haddow explains and compares the Canada Assistance Plan CAP and the Social Security Review the two most extensive attempts by the federal government to reform Canadian poverty policy during the postwar era Using previously confidential government documents and interviews with many of the important players he examines the forces that stimulated the emergence and subsequent development of these two policy initiatives and the circumstances that determined their quite different fates

Canadian Social Policy Shankar A. Yelaja, 1987-10-19 The second edition of Canadian Social Policy contains eighteen essays written by eminent academicians and policy makers including new essays on federal provincial issues and social policy in Quebec The book is divided into four sections 1 the development of social policy in Canada 2 the current major issues in Canadian social policy development in such areas as income security health policy housing immigration inflation and unemployment 3 the process of social policy formulation within the Canadian context and 4 the evaluation of Canadian social welfare policy and services All articles have been revised and updated in order to provide a broad perspective on social policy development and also to help stimulate discussion and debate on major social welfare problems confronted by Canadian society in the 1980s and beyond
