**EDUCATION FOR WORLD PEACE Issues, Challenges and New Directions** Dr. Santosh Kumar Behera, Lamina Kamiludeen Omotoyosi, Education for World Peace Carnegie Endowment for International Peace. Library, Mary Alice Matthews, 1932 **Peace Education** Monisha Bajaj, Maria Hantzopoulos, 2016-01-28 Honorable Mention 2017 PROSE Award Education Practice Bringing together the voices of scholars and practitioners on challenges and possibilities of implementing peace education in diverse global sites this book addresses key questions for students seeking to deepen their understanding of the field The book not only highlights ground breaking and rich qualitative studies from around the globe but also analyses the limits and possibilities of peace education in diverse contexts of conflict and post conflict societies Contributing authors address how educators and learners can make meaning of international peace education efforts how various forms of peace and violence interact in and around schools and how the field of peace education has evolved and grown over the past four decades Transforming Education for Peace Jing Lin, Edward J. Brantmeier, Christa Bruhn, 2008-06-01 Currently peace education remains marginalized in our education system however a united front can be formed and powerful paradigms can empower educators to play a critical role in peace building through scholarship practice and activism Indeed educators around the world are developing effective strategies to transform education as a powerful force for global peace The diverse array of contributors in the book demonstrate that educators as peace makers can be and have been instrumental in transforming social forces the self and others for the construction of global peace The book aims to broaden the educational discourse in order to make room for new visions to educate future generations for peace Local and global efforts to build a long lasting peace are presented through the lens of education The timeliness of peace education surely renders this book relevant to educators and the general public alike as individuals communities and organizations struggle to find pathways to peace in a global world In other words this book will interest scholars and the general public concerned about the building of global peace The book can be source book for educators at elementary secondary and postsecondary institutions to explore multiple ways to conduct effective peace education at all levels of education The book may also be used as a textbook by instructors of multicultural education of comparative international education and of undergraduate and graduate peace education courses **Education for World Peace** Carnegie Endowment for International Peace. Library, 1936 How Children Understand War and Peace Amiram Raviv, Louis Oppenheimer, Daniel Bar-Tal, 1999-05-14 How Children Understand War and Peace If we had a better grasp on how children and adolescents develop ideas of war conflict and peace would it be possible to consciously influence these concepts toward more peaceful orientations Would it then be possible to integrate these psychological findings into educational programs throughout the world How Children Understand War and Peace is a landmark book that examines these two vital questions and provides a solid framework on which to build answers Written by an international panel of experts in the fields of developmental social

and educational psychology *How Children Understand War and Peace* presents a collection of the most current thoughts and insights into how children and adolescents develop an understanding of war conflict and peace Based on research studies done in Australia Canada Finland Holland Israel Portugal Northern Ireland Sweden and the United States this comprehensive volume presents evidence that perceptions of war and peace formed during childhood relate directly to adult perspectives on these critical issues The contributors present persuasive evidence that our knowledge about how youngsters from around the globe develop and form worldviews can be used to create educational programs that teach children peace education conflict management and conflict resolution *How Children Understand War and Peace* is an indispensable guide for psychologists educators and anyone concerned with building a solid foundation for a more peaceful world through knowledge and education *What Children Can Teach Us* and *What We Can Teach Children* *How Children Understand War and Peace* offers an international perspective on how the concepts of war and peace develop in children and how through overt teaching of conflict resolution and peacemaking skills in schools a more peaceful world could be created I welcome this important new book The editors and contributors have given us a new and valuable account of how young people understand the essential issues of war and peace Not only is this a large step forward in the study of child and adolescent social cognition but in addition the knowledge base in this book suggests ways to educate the younger generation toward more peaceful resolutions of dangerous social conflicts William Damon professor and director Stanford Center on Adolescence The first comprehensive overview of current research on children's understanding of peace conflict and war this book shows the richness of children's understanding in its sociocultural context It challenges us to think deeply about the connections between human development war and peace and about how to educate for a culture of peace Michael G Wessells professor of psychology Randolph Macon College This comprehensive book discusses research on how peace conflict and war are interpreted by youngsters from different cultures and how such knowledge can help educators contribute to building peace Anyone interested in peace and conflict child development and education will find many useful insights and a wealth of diverse approaches for working with children in this important new book ke Bjerstedt professor emeritus of education Lund University Sweden This landmark book will help open the way to advances in research on the development of children's conceptions of peace and on the practice of peace education Milton Schwebel editor *Peace and Conflict Journal of Peace Psychology* Promoting Global Peace and Civic Engagement through Education Pandey, Kshama, 2016-05-04 It is easy to see that the world finds itself too often in tumultuous situations with catastrophic results An adequate education can instill holistic knowledge empathy and the skills necessary for promoting an international coalition of peaceful nations *Promoting Global Peace and Civic Engagement through Education* outlines the pedagogical practices necessary to inspire the next generation of peace bringers by addressing strategies to include topics from human rights and environmental sustainability to social justice and disarmament in a comprehensive method Providing perspectives on how to live in a multi cultural multi
