Emerson Henry David Gray,1917 *Emerson* Henry David Gray,1958 A statement of New England transcendentalism as expressed in the philosophy of its chief exponent *EMERSON HENRY DAVID. GRAY,2018* *Emerson's Theories of Literary Expressions* Emerson Grant Sutcliffe,1923 *Emerson's Transatlantic Romanticism* D. Greenham,2015-12-04 This book provides an original account of Emerson's creative debts to the British and European Romantics including Coleridge and Carlyle firmly locating them in his New England context Moreover this book analyses and explains the way that his thought shapes his unique prose style in which idea and word become united in an epistemology of form **Emerson** Henry David Gray,1965 *American Transcendentalism* Philip F. Gura,2007-11-13 A comprehensive history of American transcendentalism which originated with a number of nineteenth century intellectuals including Ralph Waldo Emerson and examines their philosophical and religious roots in Europe and opposition to slavery **The Transcendentalists** Perry Miller,1950 The philosophy explained in terms of selections from the writings of the chief adherents **EMERSON A STATEMENT OF NEW ENG** Henry David 1873- Gray,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **University of Illinois Studies in Language and Literature** ,1923 **Emerson, Romanticism, and Intuitive Reason** Patrick J. Keane,2005 Comparative study in transatlantic Romanticism that traces the links between German idealism British Romanticism Wordsworth Coleridge Carlyle and American Transcendentalism Focuses on Emerson's development and use of the concept of intuitive Reason which became the intellectual and emotional foundation of American Transcendentalism Provided by publisher **A History of Philosophy: Bentham to Russell** Frederick Charles Copleston,1966 The utilitarianism of the nineteenth century the idealist movement the pragmatist movement modern realism Bertrand Russell and more recent trends in British philosophy *The American Journal of Psychology* Granville Stanley Hall,Edward Bradford Titchener,Karl M. Dallenbach,Madison Bentley,Edwin Garrigues Boring,Margaret Floy Washburn,1919 *Emerson* , **A History of American Philosophy** Herbert Wallace Schneider,1946-01-01 The present work treats of several aspects of American philosophy in their historical perspective The

author has interpreted philosophically the revolutionary changes that recent years have brought in the domain of education church politics natural sciences etc The reader will find herein that American Philosophy is the outgrowth of impacts of new life and new directions imported by waves of immigration More conspicuous are the recent intellectual imports from Cambridge Paris and Vienna The philosophical analysis that grew up in Cambridge under the leadership of Whitehead russel and Moore the sophisticated modernized versions of Catholic scholasticism from Paris and the the schools of value theory existentialism phenomenology logical positivism psychoanalysis and socialism from Vienna these are now pervasive forces in American culture The author has ventured to predict that the types of philosophical thought described in this volume are being radically revised reviewed and reconstructed because of these new importations that a decidedly new chapter in American philosophy is being written The author has tried well to expound what American history teaches or what American philosophy stands for

Hindu Scriptures and American Transcendentalists Umesh Patri,2019-10-17 In this extraordinarily candid book Umesh Patri presents a fresh reappraisal of the impact of Indian scriptures on American transcendentalism which flourished in New England in the 19th century The major premise of the study is that other influences on the transcendentalists such as Chinese Persian Sufi Arabic Neo Platonism and German transcendentalism are of less significance than that of Indian scriptures comprising of Hindu and Buddhist texts In the writings of Emerson Thoreau and minor transcendentalists like Alcott Fuller Channing Johnson Brownson etc the influence of Indian scriptures is clearly discernable An attempt has been made here to show that Indian scriptures have not only influenced the philosophical thinking of these writers but also their lifestyle and social conduct It also attempts to show that transcendentalism was not an isolated movement but was a part of a cultural renaissance which swept the entire nation in the wake of avid interest and curiosity in the ancient lore of other countries Transcendentalism it is suggested here continues to affect the thinking of Americans and can be viewed as a continuing movement of thought in American intellectual history This book draws attention to many aspects of transcendentalism which have not been adequately discussed so far

The American Ideal Peter Carafiol,1991-08-22 This work argues that American literary scholarship enshrines a reactionary vision of history of narrative and of America itself Carafiol examines the way idealist assumptions have been essential to doing American literary history and unwraps the implications of that symbiosis for current debates about the aims and methods of literary history in general Carafiol directs his critique not only at traditional approaches to American literature but also at the most influential recent efforts by New Historicists and cultural critics to revise that tradition Reconsidering the debate between ahistorical and historical models of literary study he argues that works by such writers like Emerson and Thoreau subvert the claims of critics on both sides Such writing is important he proposes not as timeless art or as social document but as a voice that can speak powerfully in contemporary conversations challenging literary critics in all fields to reconsider their critical assumptions and professional practices
