Faith leaders are surrounded by people constantly navigating mazes of different personalities, emotional levels, and individual characteristics. Working with committees, individuals, and other leaders is critical to successfully moving an organization forward and representing a congregation with credibility and effectiveness. Not every leader, however, is born with the inherent ability to effectively communicate and relate with others. That ability is called Emotional Intelligence: perceiving, controlling, and evaluating emotions. Emotional Intelligence is widely studied in the business world to help improve leader effectiveness. The *Emotional Intelligence of Jesus* introduces readers to the ways emotional intelligence can enhance their work in faith settings. Authors Roy M. Oswald and Arland Jacobson highlight the emotional intelligence of Jesus, illuminating the remarkable ways he related to a diverse array of people, then show how these lessons can enrich the ministry of faith leaders today. The book walks readers through five key principles of emotional intelligence: self-awareness, empathy, assertiveness, optimism, and stress management, illustrating these principles in the life of Jesus and offering practical applications for leaders today. The authors address emotional intelligence with both individuals and groups of all sizes. The *Emotional Intelligence of Jesus* is an essential resource for anyone looking to enhance their relationship and leadership effectiveness in a faith setting.

Emotional Intelligence Joshua Strachan, *Emotional Intelligence: How to Improve Your IQ, Achieve Self-Awareness, and Control Your Emotions*. Emotional intelligence teaches how to demonstrate self-awareness and provides for the right response that influences social behavior and perceptions. Here are some of the things you will learn: Secrets of unlocking the emotional genius, How to understand and control the emotions of others, Methods of using emotional intelligence in building personal intimacy and maximizing career productivity, How to use your feelings and emotions to communicate effectively, improve social skills, and emotional self-awareness, Application of emotional intelligence in business.
