*The Economics of Long-Distance Transportation* P. B. Goodwin, T. S. Khachaturov, 1983-02-10      *The Hindu Equilibrium*  
Deepak Lal, 2005 India is an emerging giant This book explains its long economic stagnation and recent rise by examining its social political and historical evolution in long term perspective It explains how its distinct social system based on caste arose and why it still is of importance in its political and social arrangements despite India's recent move from the plan to market

**Does Aid Work in India?** Michael Lipton, John Toye, 2010-11-29 Much about India's economy and aid flows has changed in the last two decades India's growth rate has quickened since economic liberalisation the poverty head count has fallen and the volume and composition of its aid have changed as new issues of climate change and the environment have emerged Yet *Does Aid Work in India* first published in 1990 remains of great interest as a study of aid effectiveness in India's pre liberalisation era It identifies those sectors where aid funded interventions succeeded and where they failed It explains how India avoided problems of aid dependence and managed the political tensions that are associated with aid policy dialogue More generally it contains a useful commentary on and criticism of donors aid evaluation procedures at that time and it highlights donor efforts in the difficult area of institution building Despite the passage of time many of the insights from India's earlier experience remain highly relevant to key issues of development assistance today      **International Finance and**

**Trade in a Polycentric World** Silvio Borner, 1988-06-18 These proceedings focus attention on issues in the present polycentric world economy in the realm of international debt trade investment financial markets and policy co ordination The book attempts to deal with the opposing forces and the basic schisma underlying these issues      **New Developments in**

**Analysis of Market Structure** Joseph E. Stiglitz, G. Frank Mathewson, 1985-12-27 These contributions discuss a number of important developments over the past decade in a newly established and important field of economics that have led to notable changes in views on governmental competition policies      **The Determinants of National Saving and Wealth**
