Empress To The Orient The Last Link In The C P R:

Power House ,1923 The Railroad Trainman ,1928 **Canadian Labour** ,1958 Open Doors Christopher Bo Bramsen,2013-11-05 On one level this is an intriguing account of expat life in Shanghai s International settlement in the early 20th century On another level is charted the introduction and growth of new western technologies and companies in China And the backdrop to these stories is early 20th century China itself the hopes fears turmoil and grandeur of the age

Canada in the European Age, 1453-1919 R.T. Naylor,2006-07-10 When Canada in the European Age 1453 1919 was first published it reversed traditional methodology by placing Canada s evolution in the context of the rise and fall of empires around the world not just in the Americas R T Naylor contends that the struggle for property and political rights in early nineteenth century Newfoundland is incomprehensible without an understanding of events as distinct as the Afro American slave trade or the Napoleonic Wars the opening of the natural resource frontier of British Columbia makes sense only if seen as another manifestation of the same historical forces that fired the opening shots in the Opium wars in China and the fate of Canada s native peoples may have been different in form but not in essence from that of the aboriginal inhabitants on almost every continent *The Resettlement of British Columbia* Cole Harris,2011-11-01 In this beautifully crafted collection of essays Cole Harris reflects on the strategies of colonialism in British Columbia during the first 150 years after the arrival of European settlers The pervasive displacement of indigenous people by the newcomers the mechanisms by which it was accomplished and the resulting effects on the landscape social life and history of Canada s western most province are examined through the dual lenses of post colonial theory and empirical data By providing a compelling look at the colonial construction of the province the book revises existing perceptions of the history and geography of British Columbia In their entirety this eloquent collection of nine essays constitute a provocative and unique investigation into the meaning of colonialism and geographical change in the province
