Ems And Fire Personnel:

EMS by Fire Michael Morse, 2020-11-16 Firefighter medic and author Michael Morse bares his soul with first person accounts from a 25 year career vividly defining the first responder's vital role as a medical professional EMS by Fire The Making of a Fire Medic puts the reader at the scene where people desperately wait frantic impatient lonely dying or dead the public we serve is not interested in who arrives at their emergency as long somebody comes preferably well trained and well equipped Writing for and about firefighters and EMS personnel from the ambulance officer's seat is tricky on the good days career suicide on the bad and quite gratifying on the rest The truth is that the ratio of misery to inspiration is greatly exaggerated in my writings with misery beating inspiration by a 20:1 margin Yet it is those moments of inspiration that make the misery bearable Features Gain a better understanding of the jobs of fire based EMS personnel Improve your skills and build teamwork between firefighters and EMS True stories and real life scenarios from a veteran of the EMS and Fire service
