**Disaffiliating Ministry** Gregory Baker, 2019-08-23 This book explores the shifting role of the minister in light of the experiences of college men in the United States Young men frequently struggle to know what it means to be a man and doubt that churches can supply the meaning and direction for which they hunger These men are not necessarily lost but they do need a certain kind of spiritual accompaniment that is likely to push many ministers outside of postures and practices with which they have grown comfortable This interdisciplinary work draws together feminist and masculinist theories contemporary practices in campus ministry recent literature on religious deconversion and individual interviews with college men in order to argue for new ways amid the practice of ministry This work invites ministers to become more apophatic to grow comfortable with moving away from clarity and to adopt ungrasping postures of ministry that attend to the unfolding theology of the individual This
