descriptions of people subject and object pronouns and basic verbs like to have to be and to go Vocab sets are taught with TPR and skits and reinforced with page long English readings By the end of these level 1 lessons most students should be writing 100 word 10 minute narrative English essays with no dictionary help as well as narrating simple English stories by looking at stick figure drawings and describing what s going on also with no dictionary help The lessons include a complete vocab list by semester daily warm up quizzes skit scripts page long English readings recycling the vocab grammar content of the skit graphic organizers writing activities cooperative learning activities a 9 weeks test and a final exam These lessons are designed so that once you have your copies made you can just flip the pages and teach All masters are included and ready to copy including sub plans Follow Jalen at www.waltmania.com
