Cannon,2012-06-04 Let not your hearts be troubled The opening words from John 14 frame the balance of this sermon to the disciples Immediately following the Passover supper and the washing of their feet our Lord preaches one last sermon to his faithful friends and disciples a sermon full of longing full of promise full of hope and full of disclosures about their future the work of the Holy Spirit and key verses supporting the doctrine of the Trinity John 14 16 presents a fascinating farewell address from Jesus to his disciples These chapters show us the heart of our Savior and his love for his disciples in a time of anxiety not only their anxiety but his own as he knows that the shadow of the cross has now grown dark across him and there is no place else for him to go No ministry remains for him now except to these disciples and then ultimately to the cross itself Even as he in his own humanity was troubled in the prospect of his suffering he turned to minister to the disciples in their time of trouble *Notes of the Gospel of John* ,1879 [Exploring Galatians](#) John Phillips,2004 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **The Gospel of John: More Light from Philo, Paul and Archaeology** Peder Borgen,2014-03-06 To Paul the traditions from and about Jesus had authority similar to that of the Scriptures a logion or story served as text for paraphrastic expositions Such expositions are

also seen in John's Gospel. It is insufficient to discuss John and the Synoptics. A better scope is John within early gospel traditions. Paul and Philo maintain a cosmic understanding of Jesus and the Jewish people respectively. Correspondingly, Jesus is seen in cosmological perspective in John's Prologue. Philo illuminates the role of God's logos relative to creation and revelation. Archaeology testifies to the reliability of John's topographical references. Both John and Philo can combine theological and ideological elaborations with specific geographical references, historical events, and religious feasts. The study has brought in material and perspectives which strengthen the view that the Gospel of John was independent of the other three written gospels.
